

# **Procedures for Fast Track Assessment** **Year 2023**

**Code:** EDREX:NP.CAPP.080

**Version No.:** 1

**Issue date:** 27/12/2023

**Effective date:** 28/12/2023

## **Procedures for Submitting the Scientific File for Fast Assessment** **(Fast Track Assessment)**

- The company is obligated to pay the fee for the Fast Assessment (Fast Track Assessment) service.
- The scientific file must be submitted via the electronic platform for registering veterinary pharmaceuticals (EVERS) within the specified timeframe, according to the procedures for registering veterinary pharmaceuticals. A company's request to have the scientific file assessed using the Fast Assessment system, stamped and signed by the Chairman of the Board, addressed to the General Administration of Veterinary Pharmaceuticals, must be submitted, along with the receipt for the service fee as an extra attachment.
- The review will take place within 5 working days from the date of submission of the scientific file. If any additional information is required, the company will be notified via the electronic platform.
- The company is committed to submitting all required documents within the specified deadlines according to the procedures for registering veterinary pharmaceuticals. The documents will be reviewed within 3 working days from the date of submission.
- Upon completion of the scientific file, the application will be presented directly to the nearest specialized scientific committee for their opinion on the registration request and approval of the preliminary scientific data for the product.

## **Procedures for Submitting the Final Registration File for Fast Assessment (Fast Track Assessment)**

- The company is obligated to pay the fee for the Fast Assessment (Fast Track Assessment) service.
- The final registration file must be submitted via the electronic platform for registering veterinary pharmaceuticals (EVERS) within the specified timeframe, according to the procedures for registering veterinary pharmaceuticals. A company's request to have the final registration file assessed using the fast assessment system, stamped and signed by the Chairman of the Board, addressed to the General Administration of Veterinary Pharmaceuticals, must be submitted, along with the receipt for the service fee uploaded in the designated receipts section (Hard File Extra Fees), in addition to any other receipts for deadlines extensions.
- The review process will take place within 7 working days from the date of submission of the final registration file. If additional documents are required, the company will be notified via the electronic platform.
- The company is committed to submit all required documents within the specified deadlines according to the procedures for registering veterinary pharmaceuticals. The documents will be reviewed within 7 working days from the date of submission.
- Upon completion of the final registration file, it will be presented to the nearest technical committee for a decision regarding the registration of the product.
