

قائمة الأدوية غير الوصفية يناير 2026

Trade Name	Active	Dosage form	Strength	Approved Indication	Approved Package
Antopral	Pantoprazole sesquihydrate 22.55	Tablet	20 mg Gastro-resistant tablets	Short term treatment of reflux symptoms (e.g. heart burn ,acid regurgitation) in adults	Carton box containing 2 strips (Al/Al) each of 7 gastro-resistant tablets and inner leaflet
Controloc 20 mg	Pantoprazole sesquihydrate 22.55	Tablet	20 mg Gastro-resistant tablets	Indicated in adults for short term treatment of symptoms (e.g. heartburn,acid regurgitation, pain on swallowing) associated with gastro-oesophageal reflux disease caused by reflux of acid from the stomach.	Carton box contains 1 or 2 (Al/Al) blisters each of 7 tablets with insert leaflet.
Novapantolix 20 mg	Pantoprazole sesquihydrate 22.55	Tablet	20 mg Delayed Release Tablets	Symptomatic Gastroesophageal reflux disease in adults ≥ 18 years of age. الأعراض على سبيل المثال الحموضة (حرقة الفؤاد) ،ارتجاع الحمض ،ألم عند البلع (مصحوب بمرض الارتجاع المعدي المريئي الناجم عن ارتجاع الحمض من المعدة	Carton box containing 1 or 2 (Al / Al) strips , each strip contains 7 delayed release tablets with insert leaflet.
Protofix	Pantoprazole sesquihydrate 22.55	Gastro-resistant enteric coated tablets	20 mg	Symptomatic gastro-esophageal reflux disease in adults. علاج الأعراض المصاحبة لارتجاع المريء المعدي الناتجة عن ارتجاع الحمض- . من المعدة (مثل : حرقة المعدة ،ارتجاع الحمض) في البالغين	Carton box contains 2 (Al/Al) blisters, each of 7 gastro-resistant enteric coated tablets with an insert leaflet
Delpanto 20 mg	Pantoprazole sesquihydrate 22.55	Enteric Film Coated Tablet	20 mg	Treatment of symptoms associated with mild reflux disease (heartburn, acid regurgitation, pain on swallowing) in adults ≥ 18 years of age	Carton box contains 2 (Al / Al) strips, each of 7 enteric coated tablets with insert leaflet.
Gastrazole	Omeprazole	Hard gelatin capsules	20 mg	Symptomatic Treatment of Heartburn and acid regurgitation in gastroesophageal reflux disease in adults المريئي مرض الارتجاع المريئي حيث يرجع فيه الحمض من المعدة إلى المريء (الأنبوب الذي يربط الحنجرة إلى: المعدة) مسبباً الألم والالتهابات والحرقة وذلك في البالغين	Carton box contains HDPE plastic bottle lined with (Al / transparent colorless LDPE) from outside to inside induction seal containing 14 hard gelatin capsules and LDPE white plastic capsules containing white silica gel desiccant covered with protective paper layers with HDPE outer plastic screw cap and HDPE inner plastic cap lined with
Estohalt 20 mg	Omeprazole	Hard Gelatin Capsules containing enteric coated pellets	20 mg	For Symptomatic Treatment of heartburn and acid regurgitation in gastro-oesophageal reflux disease in adults ≥ 18 years of age	Carton box contains one silica desiccant in LDPE capsule and 14 capsules in transparent amber brown type III glass bottle with aluminum cap lined with LDPE foam liner and an inner leaflet
Napizole 20 mg	Omeprazole	Hard gelatin capsules containing enteric coated pellets	20 mg	Relief of heartburn and other symptoms associated with Gastro-Oesophageal Reflux Disease(GORD) in adults	Carton box contains white (HDPE) plastic jar with white polypropylene plastic cap containing silica gel sachet with aluminum foil induction seal contains 14 hard gelatin capsules with insert leaflet
Pepzole 20 mg	Omeprazole	Hard Gelatin Capsules containing Enteric Coated pellets	20 mg	Treatment of symptomatic Gastro-Oesophageal Reflux Disease in adults علاج مرض الارتجاع المعدي المريئي ، حيث يخرج الحمض من المعدة إلى المريء (الأنبوب الذي يربط الحلق بالمعدة) مسبباً ألم والتهاب وحرقان وذلك في البالغين	Carton box containing one (Alu/White opaque PVDC) blisters each of 14 hard gelatin capsules and insert leaflet
Omez	Omeprazole	Hard gelatin capsules containing enteric coated pellets	20 mg	Treatment of symptomatic gastro-oesophageal reflux disease in adults. مرض إرتجاع المريء حيث يرتجع الحامض المعدي من المعدة إلى المريء مسبباً التهابات وحرقان بالمعدة	Carton box contains 2 (AL / transparent PVDC) strips, each of 7 hard gelatin capsules with insert leaflet

Healsec 20 mg	Omeprazole	Hard gelatin capsules containing enteric coated pellets	20 mg	Treatment of symptomatic gastro-oesophageal reflux disease in adults. مرض إرتجاع المريء حيث يهرب الحمض من المعدة إلى المريء (الأنبوب الذي يربط الحلق بالمعدة) مما يسبب الألم والالتهاب وحرقة المعدة	Carton box contains HDPE plastic bottle with child resistant closure which consists of white HDPE plastic cap.HDPE plastic ring and liner(the inner part of the closure made from LDPE plastic foam laminated with PVDC) and desiccant (made from HDPE plastic and filled with moisture indicating silica powder covered with carton
Nexicure 20 mg	Esomeprazole Magnesium Trihydrate	Film Coated tablets	20 mg	Gastroesophageal reflux disease" (GERD). This is where acid from the stomach escapes into the gullet (the tube which connects your throat to your stomach) causing pain, inflammation and heartburn in adults. مرض ارتجاع معدي مريئي (حمض) هذا هو المكان الذي يهرب فيه حمض المعدة	Carton box containing 1 (Al/Al) strip of 10 film coated tablet + insert leaflet. Carton box containing 1 or 2 (Al / Al) strips, each of 7 film coated tablet + insert leaflet.
Nexicure 20 mg	Esomeprazole Magnesium Trihydrate	Enteric Coated Granules for delayed release oral suspension	20 mg	For short treatment of heart burn and other symptoms associated with GERD in adults	Pack of 7,10 or 14 free (Polyester /Al /LD Polyethylene) from outside to inside sachets , each contains 3000 mg granules with insert leaflet
Esomeprazole –Eva Pharma 2	Esomeprazole Magnesium Trihydrate	Delayed Release Granules for Oral Suspension	20 mg	Short term treatment of heartburn and other symptoms and other symptoms associated with GERD in adults	Carton box contains 14 Aluminum sachets composed of 3 layers from outside to inside (low density polyethylene terephthalate , aluminum and LDPE film) containing 4 gm granulated powder with insert leaflet
Esomeprazole –Eva Pharma	Esomeprazole Magnesium Trihydrate	Enteric Coated Tablet	20 mg	Indicated where reduction of gastric acid secretion is required in non-erosive reflux disease (i.e. heartburn and regurgitation) in adults (18 years of age and over)	Carton box contains one AL (Opa /Al / PVC) blister contains 10 enteric coated tablets with insert leaflet
Jeparilon	Famotidine/Calcium Carbonate/M	Chewable Tablets	10 mg /800 mg /165 mg	Short term symptomatic relief of heartburn in adults	Carton box containing 2(Al/Al) strips , each of 5 chewable tablets and insert leaflet
Stomatect	Potassium Bicarbonate /Sodium Al	Oral suspension	100 mg/500 mg	Treatment of symptoms resulting from the reflux of acid such as heartburn in adults and children 12 years and older	Carton box containing amber glass type III containing 150 or 300 ml suspension with white circular polypropylene cap having LDPE red ring at the edge and contain a foam PVDC stopper at upside with insert leaflet
Miopan Plus	Magaldrate (Anhydrous) /Simeth	Oral suspension	0.54 gm/0.04 gm /5 ml	As in insert leaflet in adults	Carton box containing amber brown plastic (PET) bottle containing 100 ml suspension with HDPE plastic cap with insert leaflet.
Digicomag	Calcium Carbonate /Simethicone	Chewable Tablets	680 mg/25 mg /80 mg	For the effective relief of acid indigestion, nervous indigestion, heartburn, upset stomach, uncomfortable bloating, flatulence and painful trapped wind in adults and children over 12 years of age	Carton box containing 3 (Al/Transparent PVDC) blisters each contains 10 chewable tablets with insert leaflet
Miopan	Magaldrate anhydrous	Oral suspension	540 mg /5 ml	As in insert leaflet in adults and children aged 12 years and over	Printed box containing brown plastic (PET) bottle of 100 ml or 200 ml suspension and insert leaflet
Gerozox	Dried Aluminum Hydroxide Gel /M	Oral suspension	525 mg / 600 mg / 5 ml	As in insert leaflet in adults and adolescents over 15 years of age	Carton box containing 30 aluminum sachets ,each one contains 15 ml homogenous oral suspension consists of multiple layers (Aluminum foil / PET layer) from outside to inside labeled with product information with insert leaflet
Gravomag 460/400 mg	Aluminum Hydroxide 460 mg (as A	Oral suspension	460 mg/400 mg / 5 ml	As in insert leaflet in adults and adolescents over 15 years of age	Carton box contains 20 sachets each sachet consists of 3 layers from inside to outside (polyester , Aluminum , polyethylene) with insert leaflet
Maalox stomach pain	Aluminum Hydroxide 460 mg equiv	Oral suspension	460 mg / 400 mg / 4.3 ml	Used to relieve heartburn and reflux of stomach acid for adults and adolescents from 15 years of age	For lemon lime flavor: Carton box containing 20 sachets, made of 3 layers (PP/Alu/PE) or (PETP/Alu/PE), each containing 4.3 ml suspension with insert leaflet. For red fruit flavor: Carton box containing 20 sachets, made of 3 layers (PP/Alu/PE)

Maalox stomach pain	Magnesium Hydroxide /Aluminium	Oral suspension	4 gm /3.5 gm / 100 ml	Used to relieve heartburn and reflux of stomach acid for adults and adolescents from 15 years of age	Carton box containing Polyethylene terephthalate (PET) bottle of 250 ml with Polypropylene (PP) closure and polyethylene (PE / LDPE) liner and insert leaflet
Maalox Plus ®	Aluminum Hydroxide 175 mg equiv	Oral suspension	175 mg / 25 mg / 200 mg / 5 ml	Symptomatic relief of dyspepsia, heartburn and flatulence in adults ≥ 18 years of age	Carton box containing one amber glass hydrolytic class III containing 60 ml or 180 ml suspension with white PP plastic screw cap with liner laminated LDPE from both sides with insert leaflet
Rennie	Calcium Carbonate / Heavy Magnesium	Chewable Tablets	680 mg /80 mg	Relieve symptoms of stomach acidity such as burning and acid reflux such as burning and acid reflux in adults and children over 12 years of age	Carton box contains 4 (Al / transparent PVC) strips each of 6 tablets with insert leaflet
Gaviscon Double Action Liquid	Sodium Alginate /Sodium Hydroxide	Oral suspension in bottle	500 mg/213 mg/325 mg / 100 ml	As in insert leaflet in adults and children 12 years and over	Amber glass type III bottle containing 150 ml suspension with polypropylene (PP) screw-cap with high density polyethylene (HDPE) tamper evident band fitted with an expanded polyethylene (EPE) wad
Gaviscon Double Action Liquid sachets		Oral Suspension in sachet	500 mg/213 mg/325 mg	As in insert leaflet in adults and children 12 years and over	Carton box containing 2, 6, 12, 24 and 36 units dose stick pack style sachets, made of polyester, Aluminum and polyethylene, each sachet of 10 ml with insert leaflet
Enterogermina 4 billion / 5 ml	Spores of poly-antibiotic resistant	Oral suspension	4 billion /5ml Oral suspension	للوقاية وعلاج الاضطرابات المعوية مثل الاسهال المرتبط بتغير الفلورا الميكروبية المعوية	Drug Product : Cardbord cartons containing 10 low density polyethylene bottles produced by plastic extrusion each containing 5 ml oral suspension and inner leaflet . Drug substance : Airtight Aluminium bottle of about 6 litres . Its closure system is composed of chlorobutyl rubber cap and
Enterogermina 2 billion / 5 ml	Bacillus Clausii spores	Oral suspension	2 Billion/5ml Oral suspension		
Enterogermina Oral Powder	Spores of poly-antibiotic resistant	Oral powder in sachets	6 billion/ 2 g sachet Oral powder in sachets	للوقاية وعلاج الاضطرابات المعوية مثل الاسهال المرتبط بتغير الفلورا الميكروبية المعوية في البالغين ≤ 18 عام.	Drug Product: Cardboard carton containing 9 sachets composed of composite foil of inner layer transparent polyethylene(PE), middle layer aluminum foil (Al), and outer layer polyethylene terephthalate (PET) film. Drug Substance: Airtight aluminium bottle of about 6 litres . Its
Zincorhea	Zinc Sulphate Monohydrate	Syrup	1.0976 gm (Eq. to Zinc 400 mg)/100 ml syrup	Source of Zinc in adults . For treatment of diarrhea in infants and children below 5 years of age	Carton box containing amber brown transparent PET plastic bottle containing 80 ml syrup with white (HDPE) plastic cap + insert leaflet.
Imoflora	Loperamide Hydrochloride /Simet	Tablets	2 mg/125 mg Tablets	As in insert leaflet in adults and adolescents over 12 years of age	Carton box containing one (AL / opaque PVC) strip of 10 tablets and an inner leaflet
Imodium Instants	Loperamide Hydrochloride	Oro-dispersible tablets	2 mg	Treatment of sudden short lived (acute) attacks of diarrhea in adults and children aged 12 years and over	Carton box contains (AL/AL) blister of 6 tablets , consisting of a seal foil (Paper / PET / ALu-foil) and a base foil (PVC / OPA / ALu / OPA , PVC-foil) with insert leaflet.
Hidrasec	Racecadotril	Hard Gelatin Capsules	100 mg	Symptomatic Treatment of acute diarrhea in adults, as a supplement to dietary measures	Carton box containing 1 (AL / PVC / PVDC) blisters , each of 10 film coated tablets with an insert leaflet
Rasecasec	Racecadotril micronized	Hard Gelatin Capsules	100 mg	Symptomatic Treatment of acute diarrhea in adults	Carton box containing one (Al / Transparent colorless PVC) blister of 10 capsules and an insert leaflet

Movicol	Macrogol 3350 / Sodium Bicarbonate	Sachet Powder for oral Solution in sachets	13.125 gm/0.1785 gm/0.3507 gm/ 0.0466 gm/13.8 gm	For Treatment of chronic constipation in adults and adolescents ≥ 12 years of age for a period not exceeding 2 weeks	Carton box containing 20 sachets ,each of 13.8 gm powder made of laminate consisting of four layers (Paper /LPDE / LA /LDPE) assembled in pairs duplex separated by perforation line with insert leaflet
Movicol Pediatric Plain	Macrogol 3350 / Sodium Chloride	Sachet Powder for oral solution in sachets	6.563 gm /175.4 mg / 89.3 mg / 25.1 mg /6.9 gm	Laxative for Treatment of chronic constipation in children aged 2 to 11 years	Carton box containing 30 sachets, each of 6.9 gm powder made of laminate consisting of four layers (paper/LDPE/AL foil/LDPE) with insert leaflet
Laxeol PI	Sodium Picosulfate	112.5 mg / 15 ml	112.5 mg / 15 ml	As in insert leaflet	Carton box containing opaque (low density polyethylene) bottle of 15 ml or 30 ml with dropper screw cap and an inner leaflet
Bisadyl 5 mg	Bisacodyl	Rectal suppository	5 mg	Short term treatment of constipation whenever stimulant laxative is required in children aged 4 to 10 years of age	Carton box containing 1 or 2 (opaque milky PVC / PE) rotoplast moulds , each of 5 rectal suppositories with insert leaflet
Bisadyl 10 mg	Bisacodyl	Rectal suppository	10 mg	Short term treatment of constipation whenever stimulant laxative is required in adults and children over 10 years of age	Carton box containing 1 or 2 (opaque milky PVC / LDPE) rotoplast moulds, each of 5 rectal suppositories with an insert leaflet
Bisadyl	Bisacodyl	Enteric Coated Tablets	5 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box containing 1 or 3 (AL/Transparent PVC) Strips each of 10 enteric coated tablets with insert leaflet
Duphalac	Lactulose	Syrup	667 gm / L	Constipation, to regulate the physiological rhythm of the colon when the aim is to achieve a soft stool in adults, adolescents ,children and infants	Carton box containing opaque white HDPE (High Density Polyethylene) plastic bottle containing 200 ml with white PP (Polypropylene) screw cap and PE (Polyethylene) pouring device and an inner leaflet
Lactulose HEK	Lactulose	Oral syrup	67 g / 100 ml	Treatment of chronic constipation in adults, adolescents, children and infants	Carton box containing amber glass type (III) bottle containing 120 ml or 300 ml syrup covered with white pilfer proof aluminum cap and an inner leaflet
Agiolax	Plantago Ovata seed (Plantago Ovata)	Granules in sachets	2.6 gm/0.11 gm/0.34 – 0.66 gm	As in insert leaflet in adults and adolescents over 12 years of age	Carton box containing 12 sachets , each of 5 gm and an insert leaflet
Rawsmooth	Ispaghula Seed Powder/Tinnevely	Granules in sachets	2.6 gm /500 mg/110 mg	As in insert leaflet in adults and children over 12 years of age	Carton box contains 12 sachets, which is aluminium foil layer lined with thin PVC layer internally and outer label containing data each sachet contains 5 gm granule
Eucarbon®	Senna folium/Rhei radix / Wood Charcoal	Tablets	150 mg / 13.75 mg -24.75 mg / 180 mg / 50 mg	Indicated in adults and children over 12 years of age in treatment of occasional and haemorrhoidal constipation	Carton box contains 2 or 3 (AL/Transparent PVC/ PE/PVDC) strips, each of 10 tablets with insert leaflet.
DR OXYGEN Laxotopia	Ispaghula Husk Dry (Psyllium husk)	Granules / Sachet	2.6 gm / 2600 mg / 500 mg	For the treatment of chronic constipation in adults and children over 12 years of age	Carton box containing 6 sachets (from outside to inside (Paper/Polyester/AL/LDPE) each contains 5 gm powder + insert leaflet
Purgolaxin	Sodium Citrate /Sodium Lauryl Sul	Solution Enema	450 mg / 45 mg /5 ml	As in insert leaflet	Carton box contains 4 single dose white (LDPE) plastic tube with white (LDPE) plastic nozzle each containing 5 ml rectal solution with insert leaflet.

Glycerin for adults	Glycerin	Rectal suppositories	1.4 gm	For occasional use as a stimulant laxative used for treatment of constipation in adults and children over 12 years of age	Carton box containing one white opaque (PVC / LDPE) strip containing 5 suppositories with insert leaflet
Glycerin for infants	Glycerin	Rectal suppositories	0.7 gm	For occasional use as a stimulant laxative used for treatment of constipation in infants	Carton box containing one white opaque (PVC / LDPE) strip containing 5 suppositories with insert leaflet
Glycerin Adult	Glycerin	Rectal suppositories	1.47 g	For occasional use as stimulant laxative for the treatment of constipation in adults	Carton box contains 2 (LDPE / White Opaque PVC) strips, each strip of 5 suppositories + an inner leaflet
Glycerin Infantile	Glycerin	Rectal suppositories	0.7359 g	For occasional use as stimulant laxative for the treatment of constipation in infants	Carton box containing 2 (PVC / PE) strips, each of 5 suppositories and an inner leaflet
Egycuate	Docusate Sodium	Oral Syrup	20 mg / 5 ml	For gentle reliable relief from occasional constipation in adults and pediatric 6 years of age and over	Carton box containing brown polyethylene terephthalate plastic bottle containing 100 ml with white plastic closure (HDPE) plastic cap with polytetrafluoroethylene (Teflon) foam + insert leaflet
Coloverin-D	Mebeverine HCL / Dimethicone	Film Coated Tablets	135 mg/40 mg	As in insert leaflet in adults and children over 18 years of age	Carton box containing 1,2,3 (P.V.C./AL) strips each of 10 tablets and an inner leaflet
Duspatalin Retard	Mebeverine Hydrochloride	Modified release capsules	200 mg	Symptomatic treatment of abdominal pain and cramps ,bowel disturbances and intestinal discomfort related to irritable bowel syndrome in adults and children over 12 years of age	Carton box contains 2 transparent colorless (Al / PVC) blisters, each of 15 sustained release capsules with an insert leaflet
Mebefac	Mebeverine Hydrochloride	Sustained Release Film Coated Tablets	200 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box contains 1,2 or 3 (Al / Transparent PVC) strips, each of 10 tablets and an inner leaflet.
Spasmomen	Otilonium Bromide	Film Coated Tablets	40 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box contains 2 (Al / white opaque PVC) strips, each of 10 tablets with insert leaflet
Alverinospasm	Alverine Citrate / Simethicone	Soft gelatin capsule	60 mg/300 mg	As in insert leaflet in patients ≥ 18 years of age	Carton box containing 1,2 or 3 (AL/PVC) strips each of 12 soft gelatin capsules + insert leaflet
Stopspasm	Phloroglucinol / Trimethylphloroglucinol	Film Coated Tablets	62.233 mg / 80 mg	In adults ≥ 18 years in the following indications only: Symptomatic treatment of pain related to functional disorders of the digestive tract and bile ducts. Treatment of acute spasmodic and painful manifestations of the urinary tract: renal colic.	Carton box containing 1, 2 or 3 (Al / PVC) strips, each strip contains 10 film coated tablets and an inner leaflet
Buscopan®	Hyoscine – N – Butyl Bromide	Sugar Coated Tablets	10 mg	As in insert leaflet in adults and children aged 6 years and over	Carton box containing 2 [Al / white (PVC/PVDC)] strips, each contains 10 sugar coated tablets with insert leaflet
Spasulance	Simethicone	Oro-dispersible film	62.5 mg	As in insert leaflet in adults and children over 12 years of age	Carton box contains 10, 20 or 30 Oro-dispersible films, each one packed in a four-layer pouch from outside to inside (paper, LDPE, Aluminum, LDPE) with insert leaflet
Simethicone emulsion USP 42	Simethicone	Oral drops	(Emulsion 30%) 66.68 mg as (Simethicone 20 mg)/1 ml	As in insert leaflet	Carton box containing amber glass bottle (type III) containing 30 ml emulsion capped with plastic polypropylene cap with low density expanded polyethylene foam liner & plastic polypropylene dropper composed of 3 parts polypropylene cap and polypropylene pipette & thermoplastic elastomer rubber bulb with inner leaflet

Baby Rest	Simethicone	Oral drops	66.6 mg (as Simethicone Emulsion 30% 222 mg)/1 ml	As in insert leaflet	Carton box containing LDPE plastic bottle of 20 ml containing 15 ml with LDPE nozzle & white HDPE cap with insert leaflet. Carton box containing LDPE plastic bottle of 37 ml containing 30 ml with white LDPE nozzle & white HDPE cap with insert leaflet. (New)
Flaticon	Simethicone	Oral Strip	62.5 mg	Symptomatic relief of pressure, bloating and fullness commonly referred as gas (flatulence) in adults and adolescents over 12 years of age.	Carton box containing 10 ,20 ,30 or 40 aluminum pouches composed of 3 layers ,Aluminum layer arranged from outside as (PET / AL/PE) , PE type is LDPE (low density polyethylene) ,each of 1 oral strip with insert leaflet
Free Baby	Caraway oil / Dill oil /Sodium bicarbonate	Syrup	5 mg /5 mg/50 mg / 5 ml	As in insert leaflet in children 6 months and over	Carton box containing one amber glass type III bottle containing 120 ml syrup with white HDPE plastic cap with red band with dp logo on the upper surface of the cap and inner co-extruded expanded low density polyethylene foam liner + insert leaflet.
Nono Water	Dill seed oil / Caraway seed oil /Sodium bicarbonate	Syrup	2.25 mg /2.5 mg/50 mg	As in insert leaflet in children 6 months and over	Carton box contains brown glass bottle type (type II) of 120 ml with PP white plastic cap with polyethylene foam liner with insert leaflet.
Greeny	Peppermint Oil / Anise Oil	Soft Gelatin Capsules	56 mg /100 mg	As in insert leaflet in adults above 18 years old	Carton box containing 2 (Al /PVDC) strips ,each of 10 soft gelatin capsule and insert leaflet
Fawar Cola	Sodium Bicarbonate/Citric Acid Anhydrous	Sachet ,Effervescent granules for oral solution	2.522 gm/0.87 gm /1.41 gm / 5 gm sachet ,Effervescent granules for oral solution	As in insert leaflet in adults and children aged 12 years and over	A printed carton box containing 6 or 30 Aluminum laminated foil sachets ,each sachet consists of 4 layers (LDPE, Al, LDPE, paper) containing 5 g granule and insert leaflet
Pharocola	Citric Acid Anhydrous /Sodium Bicarbonate	Effervescent Granules	1.092 gm /2.631 gm /1.191 gm /5 gm	Helps to relief heartburn, acid indigestion and sour stomach in adults ≥ 18 years of age	Carton box containing 6 four layered (Paper / Low density polyethylene resin / Al / Low density polyethylene resin) sachets each containing 5 gm + insert leaflet
Fawar Fawakeh	Sodium Bicarbonate /Citric Acid Anhydrous	Sachet ,Effervescent granules for oral solution	2.6131 gm / 1.0377 gm / 1.3317 gm / 5 gm	As in insert leaflet in adults and children aged 12 years and over	A printed carton box containing 6 or 60 aluminum laminated foil sachet consists of 4 layers : LDPE, aluminum, LDPE, paper containing 5 g granules with insert leaflet
Fawar Fruit	Citric Acid Anhydrous / Sodium Bicarbonate	Sachet ,Effervescent granules for oral solution	0.82 gm / 2.8 gm / 1.33 gm / 5 gm	As in insert leaflet in adults and children aged 12 years and over	Carton box contains 6 or 12 aluminum laminated foil sachets , each sachet consists of 4 layers from inside to outside (LDPE, aluminum, LDPE, paper) each sachet contains 5 gm effervescent granules with insert leaflet
Pharofruit	Citric Acid Anhydrous/Sodium Bicarbonate	Effervescent Granules	1.102 gm /2.65gm /1.202 gm/ 5 gm	Helps to relief heartburn, acid indigestion and sour stomach in adults ≥ 18 years of age	Carton box containing 6 four layered (Paper / Low density polyethylene resin / Al / Low density polyethylene resin) sachets each containing 5 gm + insert leaflet
Fawar Lemon	Sodium Bicarbonate/Tartaric Acid	Sachet ,Effervescent granules for oral solution	2.8 gm / 1.33 gm / 0.82 gm / 5 gm	As in insert leaflet in adults and children aged 12 years and over	Carton box contains 6 aluminum laminated foil sachets , each consists of 4 layers from inside to outside (LDPE, aluminum , LDPE, paper) each sachet contains 5 g effervescent granules with insert leaflet
Digestin	Papain* (6000 USP units / mg)/Sodium Bicarbonate	Film Coated Tablets	100 mg / 30 mg	Mal digestion in case of pancreatic enzyme deficiency in adults ≥ 18 years of age	Carton box contains 2 (Colorless transparent PVC / AL) strips,each of 10 tablets with insert leaflet.
Spasmodigestin	Dicyclomine HCl / Papain (600000 USP units / mg)	Enteric Coated Tablets	5 mg / 100 mg / 36 mg/10 mg/30 mg	Indicated in adults ≥ 18 years of age in: Maldigestion in case of pancreatic enzyme deficiency.Relief of flatulence and abdominal discomfort due to excess gastrointestinal gas disorders such as dyspepsia, gastro-esophageal reflux disease, and for many gastrointestinal disorders	Carton box containing 3 (Al/transparent PVC) blisters, each of 10 enteric coated tablets with insert leaflet.

Digenorm	Papain 6000 I.U./Pepsin (1:15000)/	Syrup	80 mg /8 mg / 12 mg / 5 ml	Adjunct treatment in functional indigestion due to digestive enzyme deficiency or imbalance, with symptoms such as dyspepsia, postprandial discomfort, epigastric fullness and flatulence.in adults ≥ 18 years of age	Carton box containing amber (type III) glass bottle containing 120 ml syrup covered with HDPE plastic white cap containing co-extruded expanded polyethylene (EPE) white round liner with insert leaflet
Essential	Phospholipids from soya Beans 76	Capsules	300 mg	As in insert leaflet	
Nasacort AQ	Triamcinolone Acetonide	Nasal Spray Aqueous Suspension	55mcg (0.055% w/w or mg/actuation)	Treatment of perennial allergic rhinitis in Adults ≥ 18 years	
Trimcopent	Triamcinolone Acetonide Micronized	Metered Nasal Spray	55 mcg/spray	Treatment of symptoms of perennial allergic rhinitis in adults ≥ 18 years of age	Carton box contains 20 ml white HDPE bottle with 0.1 ml dosage screw on spray pump unit (white pp actuator, transparent pp dust cap, blue pp spacing ring, transparent pp + LDPE dip tube) containing 16.5 gm suspension & an inner leaflet
Amcilonap	Triamcinolone Acetonide	Metered nasal spray	Micronized 55 µg	Treatment of symptoms of perennial allergic rhinitis in adults ≥ 18 years of age	Carton box containing 1 white opaque HDPE (High density poly ethylene) bottle of 20 g capacity containing 16.5 g suspension with at least 120 sprays of white to off-white aqueous suspension with metering atomizing spray pump made of several parts; low density polyethylene piston, polyethylene screw cap and stainless steel ball
Trimcopent	Triamcinolone Acetonide Micronized	Metered Nasal Spray	Micronized 55 mcg	Treatment of symptoms of perennial allergic rhinitis in adults ≥ 18 years of age	Carton box contains 20 ml white HDPE bottle with 0.1 ml dosage screw on spray pump unit (white pp actuator, transparent pp dust cap, blue pp spacing ring, transparent pp + LDPE dip tube) containing 16.5 gm suspension & an inner leaflet
Ticanase	Fluticasone Propionate	Nasal Spray	Actuation Nasal Spray	Treatment of Perennial Allergic Rhinitis in adults ≥ 18 years of age	Carton box containing amber glass type (III) bottle of capacity 15 ml containing 7 gm suspension with white polypropylene nasal sprayer head delivers 60 puffs ,capped with transparent polypropylene cap and INOX pump with insert leaflet
Flixonase	Fluticasone Propionate	Nasal Spray	micronized 0.05 mg /100 mg (actuation)	Treatment of Perennial Rhinitis in adults ≥ 18 years	Carton box containing Amber (type III) glass bottle (weight of contents for 120 doses is not less than 15 gm) fitted with a metering atomizing spray pump with a low density polyethylene dip tube fitted to the pump is a combined polypropylene nasal white actuator covered with a green polypropylene dust cover and
Avamys Nasal Spray	Fluticasone Furoate	Nasal Spray	27.5 mcg /Spray actuation	Treatment of the nasal symptoms (rhinorrhea, nasal congestion, nasal itching and sneezing) of perennial allergic rhinitis in adults ≥ 18 years of age	
Nasoflutin	Fluticasone Furoate (Micronized)	Metered Nasal Spray	27.5 mcg (D90 NMT 45 micron / metered dose inhalation		Carton box contains (off-white plastic device with a dose indicator window , light blue side actuated lever and lid which contains a stopper .The plastic device contains the nasal spray suspension within a Type I amber bottle (glass) fitted with a metering spray pump) of 120 sprays and inner leaflet
Nasonex 50 mcg / actuation	Mometasone Furoate	Nasal Spray	(as monohydrate) 0.5 mg /gm	Treatment of symptoms of year-round allergic rhinitis in adults ≥ 18 years of age	Carton box containing 23.5 ml white HDPE bottle containing 18 g suspension (140 actuations) supplied with a metered dose polypropylene spray pump actuator and an inner leaflet
Norhinose	Mometasone Furoate Monohydrate	Nasal spray	0.052 mg equivalent to Mometasone Furoate 0.05 mg / metered spray	Treatment of symptoms of perennial rhinitis in adults ≥ 18 years of age	Carton box containing an amber glass type (III) 15 ml capacity glass bottle containing 9.7 gm suspension of 60 doses or 18 gm suspension of 120 doses with a white polypropylene plastic nasal sprayer capped with lower density polyethylene (LDPE) dip tube surrounded by polypropylene housing cap capped with LDPE
Rhinocort® Aqua 64 µg	Budesonide	Nasal Spray	64 mcg / dose	Relief of runny nose, nasal congestion, sneezing and /or itching in the nose caused by allergy in Adults ≥ 18 years of age	Carton Box contains amber glass (Type III) bottle Fitted with a spray Pump and Nasal applicator 120 doses. the Pump consists of Plastic Components (Adapter, Cylinder, Piston, Seal Housing, Stem, Dip tube), elastomer, (gasket) and metal components (spring, ball and crimp closure) and Nasal applicator consisting of Nasal actuator, Spray insert and protecting Cap with insert leaflet

Levohistam	Levocetirizine Dihydrochloride	Film Coated Tablets	5 mg		
Xaltec	Levocetirizine Dihydrochloride	Tablets	5 mg	Symptomatic treatment of allergic rhinitis in adults and children 6 years of age and older	Carton box containing 1,2 or 3 (Al/Transparent PVC) strips each of 10 tablets with insert leaflet
Levohistam	Levocetirizine Dihydrochloride	Syrup	5mg/10ml	في الأطفال أعمارهم أكثر من أو يساوي عامين والبالغين في التهاب الأنف التحسسي الدائم (Perennial Allergic Rhinitis in adults and children ≥ 2 years of age	
Levohistam	Levocetirizine Dihydrochloride	Oral drops	5mg/1ml	في الأطفال أعمارهم أكثر من أو يساوي عامين والبالغين في التهاب الأنف التحسسي الدائم (Perennial Allergic Rhinitis in adults and children ≤ 2 years of age	
Levcet	Levocetirizine Dihydrochloride	Melt in mouth tablets	5 mg	Symptomatic treatment of allergic rhinitis in adults and children 12 years of age and older.	Carton box containing 1 , 2 (Al/Opaque PVC / PVDC) strip each of 10 tablets & an inner leaflet
Levcet	Levocetirizine Dihydrochloride	Oral Solution	2.5 mg/5ml	Perennial Allergic Rhinitis in adults and children ≥ 2 years of age	Carton box containing amber PET (Polyethylene terephthalate) bottle containing 120 ml (capacity 149.6 ± 3 ml) oral solution with white polypropylene closure cap containing white solid PE foam (low density polyethylene and carbon dioxide) inside with graduated transparent polypropylene plastic measuring cup and an insert leaflet
Xaltec	Levocetirizine Hydrochloride 0.5 mg/ml	Oral Solution	0.5 mg / ml	Symptomatic treatment of allergic rhinitis in adults and children aged 2 years and above	Carton box contains amber glass (type III) bottle containing 120 ml solution with tamper evident closure which consists of cap (28 mm in diameter, white in color made from PP), ring (made from HDPE) and liner (the inner part of the closure become in direct contact with the product to prevent leakage and made from LDPE foam laminated with PVDC) and colorless plastic measure with insert
Histalocetine	Levocetirizine Dihydrochloride	Oro-dispersible tablet	5 mg	Symptomatic treatment of allergic rhinitis in adults and children aged 6 years and above	Carton box containing 1 , 2 or 3 (ALU / ALU) strips each of 10 tablets with insert leaflet
Mervosa	Levocetirizine Dihydrochloride	Syrup	2.5 mg / 5 ml	Symptomatic treatment of Perennial Allergic Rhinitis in adults and children aged 2 years and above	Carton box containing PET plastic bottle with capacity of 150 ml containing 120 ml solution with (HDPE) plastic cap and seal with insert leaflet
Lergicare 5 mg / ml	Levocetirizine Dihydrochloride	Oral Drops,Solution	5 mg / 1ml	Symptomatic treatment of allergic rhinitis in adults and children aged 2 years and above	Carton box containing amber glass bottle (type III) containing 10 ml or 20 ml solution fitted with low density polyethylene dropper & high density polyethylene white cap with insert leaflet
Lergicare	Levocetirizine Dihydrochloride	Oral Solution	2.5 mg / 5 ml	Symptomatic treatment of allergic rhinitis in adults and children aged 2 years and above	Carton box containing amber (type III) glass bottle containing 120 ml oral solution closed with white polypropylene plastic cap containing low density polyethylene foam liner (LDPE) + colorless plastic measuring cup + an inner leaflet.
Lergicare	Levocetirizine Dihydrochloride	Film Coated Tablets	5 mg	Symptomatic treatment of allergic rhinitis in adults and children aged 6 years and above	Carton box containing 1 ,2 or 3 (AL / Transparent PVC) strips, each of 10 film coated tablets with an insert leaflet
Levotivan	Levocetirizine Dihydrochloride	Film Coated Tablets	5 mg	Relief of symptoms associated with perennial allergic rhinitis in adults and children 12 years of age and over	Carton box containing 1 , 2 or 3 (Al / opaque PVC) strips, each of 10 tablets + insert leaflet
Levotivan	Levocetirizine Dihydrochloride	Oral Solution	2.5 mg/5 ml	Relief of symptoms associated with perennial allergic rhinitis in adults and children above 2 years	Carton box contains amber (PET) plastic bottle containing 120 ml solution (its capacity 135 ml) with (HDPE) plastic closure with compressible (LDPE) plastic foam liner and red tamper evident ring + measured plastic cup with insert leaflet
Floracerta	Levocetirizine Dihydrochloride	Oro-dispersible Tablet	5 mg	Symptomatic treatment of allergic rhinitis in adults and children aged 6 years and over	Carton box contains 1, 2 or 3 (Al/transparent triple layer (PVC/LDPE/PVDC) (from inside to outside) strips, each of 10 oral dispersible tablets with insert leaflet

Evastine	Ebastine	Film Coated Tablets	10 mg	Symptomatic treatment of allergic Rhinitis in adults	Carton box containing 1 or 2 (Al / transparent PVC) strips , each of 10 film coated tablets with insert leaflets
Ebastel	Ebastine	Film Coated Tablets	10 mg	Symptomatic treatment of allergic Rhinitis in adults	Carton box contains 1 or 2 (Al/Transparent Colorless PVC/LDPE/PVDC) Strips each of 10 film coated tablets with insert leaflet
Bilastigec	Bilastine	Tablets	20 mg	Relieve the symptoms of hay fever (sneezing, itchy, runny, blocked up nose and red and watery eyes) and other forms of allergic rhinitis in adults	Carton box containing 1,2 or 3 (Al/Al) strips , each of 10 tablets + an inner leaflet
Histazine-1	Cetirizine dihydrochloride	Oral drops	10 mg/ ml	For treatment of nasal and ocular symptoms resulting from perennial allergic rhinitis in adults and children from 2 years of age.	Carton box contains (Type III) amber glass bottle of 10 ml solution (bottle capacity 13 – 14 ml) with plastic white LDPE nozzle with white LDPE immersed tube and covered with white HDPE screw cap with insert leaflet
Histazine-1	Cetirizine dihydrochloride	Tablets	10 mg	For the relief of nasal and ocular symptoms of perennial allergic rhinitis in adults ,adolescents and children aged 12 years and above	
Cetrak	Cetirizine dihydrochloride	Oral drops	10 mg/ ml	Treatment of nasal and ocular symptoms of perennial allergic rhinitis in adults and children from 2 years of age.	Carton box containing white (LDPE) plastic bottle (11.37 ml) containing 10 ml with white (LDPE) nozzle & white (HDPE) cap + insert leaflet
Cetrak	Cetirizine dihydrochloride	Syrup	1 mg/ml	For the relief of nasal and ocular symptoms of perennial allergic rhinitis in adults and pediatric 2 years and above	Carton box contains amber brown plastic (PET) bottle contains 120 ml syrup covered with white plastic (HDPE) cap with insert leaflet
Zyrtec	Cetirizine dihydrochloride	Oral drops	10 mg/ ml	Treatment of Perennial Allergic Rhinitis in adults and children from 2 years of age	Carton box containing amber glass bottle (type III) containing 10 ml solution closed with polypropylene tamper evident white closure PVDC faced wad liner with dropper of white polypropylene cap, propylene pipette graduated from (0.5 – 1 ml) & bulb made from a soft, colorable SEBE (Styrene, ethylene, butylene, Styrene) based thermoplastic elastomer (TPE) compound with insert leaflet
Zyrtec	Cetirizine dihydrochloride	Oral solution	5 mg /ml	Relief of nasal and ocular symptoms of Perennial Allergic Rhinitis in adults and children aged 2 years and above	Carton box containing amber (type III) glass bottle (Capacity 118 ± 4 ml) containing 100 ml solution closed with child resistant cap (outer cap from HDPE and inner cap from PP & the inner foaming made from EPE 42 Saranex) + Polypropylene plastic measuring cup with insert leaflet
Zyrtec	Cetirizine dihydrochloride	Tablets	10 mg	Relief of nasal and ocular symptoms of Perennial Allergic Rhinitis in adults and children aged 6 years and above	A carton box containing 2 (Al/Transparent PVC) strips , each of 10 film coated tablets & an inner leaflet
Delarex	Desloratadine	Syrup	0.05 gm/100 ml	Fast 24 hour and effective relief of multi nasal and non-nasal symptoms associated with allergic rhinitis, including sneezing, nasal discharge/rhinorrhea and itching, nasal congestion/stuffiness, itching of the palate and/or throat and/or eyes and allergic cough as well as burning, swollen, tearing and redness of the eyes in adults and children ≥ 2 years of age	Carton box containing amber (type III) glass bottle contains 60 ml syrup with high density polyethylene plastic cap and low density polyethylene linear foam + an insert leaflet
Delarex	Desloratadine	Film Coated Tablets	5 mg	Fast 24 hour and effective relief of multi nasal and non-nasal symptoms associated with allergic rhinitis, including sneezing, nasal discharge/rhinorrhea and itching, nasal congestion/stuffiness, itching of the palate and/or throat and/or eyes and allergic cough as well as burning, swollen, tearing and redness of the eyes in adults and children 12 years of age and older	Carton box contains 1 , 2 or 3 (AL / AL) blisters each of 10 tablets with insert leaflet

Deslorat	Desloratadine	Film coated tablets	5 mg	Indicated in adults and pediatrics aged 12 years and older for the relief of symptoms associated with allergic rhinitis.	Carton box containing 1,2 or 3 (AL / PVC) strips, each of 10 film coated tablets and insert leaflet.
Fastel 120 mg	Fexofenadine Hydrochloride	Film Coated Tablets	120 mg	Relief of symptoms associated with seasonal allergic rhinitis and allergic rhinitis in adults and children aged 12 years or older	Carton box contains 1 or 2 (AL / colorless transparent PVDC) strips , each of 10 tablets with insert leaflet
Allerfen120 mg	Fexofenadine Hydrochloride	Film Coated Tablets	120 mg	Relief of symptoms associated with seasonal allergic rhinitis in adults and children 12 years of age and older	Carton box contains 1,2 or 3 (AL / Transparent (PVC / PVDC)) strips, each of 10 tablets with insert leaflet.
Alertam® 120 mg	Fexofenadine Hydrochloride	Film Coated Tablets	120 mg	Relief of symptoms associated with seasonal allergic rhinitis in adults and children 12 years and older	Carton box containing one (Al / white opaque PVC / PVDC) strip of 10 film coated tablets with insert leaflet.
Fastel 180 mg	Fexofenadine Hydrochloride	Film Coated Tablets	180 mg	Relief of symptoms associated with seasonal allergic rhinitis and allergic rhinitis in adults and children aged 12 years or older	Carton box containing 1 or 2 (Al / transparent PVC) strips each of 10 film coated tablets with insert leaflet
Allerfen180 mg	Fexofenadine Hydrochloride	Film Coated Tablets	180 mg	Relief of symptoms associated with seasonal allergic rhinitis and allergic rhinitis in adults and children aged 12 years or older.	Carton box contains 1,2 or 3 (AL / Transparent PVC / PVDC) strips, each of 10 tablets with insert leaflet.
Telfast 120 mg	Fexofenadine Hydrochloride	Film Coated Tablets	120 mg	Relief of symptoms associated with seasonal allergic rhinitis in adults and children 12 years of age or older	Carton box containing 1 or 2 (Al / white opaque PVC/PE/PVDC) blisters, each of 10 tablets with insert leaflet
Telfast 180 mg	Fexofenadine Hydrochloride	Film Coated Tablets	180 mg	Relief of symptoms associated with seasonal allergic rhinitis in adults and children 12 years of age or older	Carton box containing 1 or 2 (Al/Opaque PVC/ PE/PVDC) blisters , each of 10 film coated tablets with insert leaflet
Allerfen® 60 mg	Fexofenadine Hydrochloride	Film Coated Tablets	60 mg	Relief of symptoms associated with seasonal allergic rhinitis and allergic rhinitis in adults and children aged 12 years or older.	Carton box contains 1,2 or 3 (AL / Transparent PVC / PVDC) strips, each of 10 tablets with insert leaflet
Fastel	Fexofenadine Hydrochloride	Oral suspension	30 mg /5 ml	Relief of symptoms associated with seasonal allergic rhinitis from 2 years of age	Carton box containing amber PET (Polyethylene terephthalate) bottle containing 110 ml suspension with white polypropylene cap + insert leaflet
Elballerge	Fexofenadine Hydrochloride	Oral suspension	30 mg /5 ml Oral suspension	Relief of symptoms associated with seasonal allergic rhinitis from 2 years of age	Carton box contains amber (type III) glass bottle containing 100 ml suspension with PP & low density polyethylene ring and low density polyethylene foam liner with insert leaflet
Vanvast	Fexofenadine Hydrochloride	Oral Suspension	30 mg /5 ml	Relief of symptoms of perennial allergic rhinitis from 2 years of age	Carton box containing amber glass bottle (Type III) closed with HDPE plastic closure lined with LDPE foam liner containing 100 ml oral suspension with insert leaflet.
Telfast	Fexofenadine Hydrochloride	Oral suspension	30 mg / 5 ml	Relief of symptoms associated with seasonal allergic rhinitis from 2 years of age	Carton box contains brown hydrolytic (type III) glass bottle (its capacity 125 ml) containing 100 ml suspension crimped with child resistance plastic closure made of PP, and on top of it a plastic transparent measuring cup made of propylene random copolymer with insert leaflet

Claritine	Loratadine	Syrup	1 mg /ml	Relieve symptoms associated with allergic rhinitis (for example, hay fever) such as sneezing, runny or itchy nose and burning or itchy eyes in adults and children over the age of 2 years with body weight > 30 Kg	Carton box containing a glass bottle of 100 ml and an inner leaflet
Claritine	Loratadine	Tablets	10 mg	Relieve symptoms associated with allergic rhinitis (for example, hay fever) such as sneezing, runny or itchy nose and burning or itchy eyes in adults and children over 6 years of age with body weight > 30 Kg	Carton box containing 10 or 20 tablets in Al / PVC strips and inner leaflet.
Mosedin®	Loratadine	Syrup	1 mg / ml	Symptomatic treatment of allergic rhinitis in adults and children over 2 years of age	Carton box containing amber color PET bottle of 60 ml syrup with white cap and plastic measuring cup and an inner leaflet
Mosedin	Loratadine	Tablets	10 mg	Symptomatic treatment of allergic rhinitis in adults and children over 12 years of age	Carton box contains 2 (Al / transparent colorless PVC) strips each of 10 tablets with insert leaflet
Meclizigo	Meclizine hydrochloride	Oral dissolvable film	25 mg	as approved in insert	A carton box containing 10, 20 or 30 oral dissolvable films each is packed in four layer pouch from outside to inside (Paper, LDPE, Aluminum, LDPE) with insert leaflet
Rupatahist	Rupatadine	Tablets	10 mg Tablets	Relieves the symptoms of allergic rhinitis such as sneezing, runny nose, itching in the eyes and nose in adults and adolescents over 12 years of age	Carton box containing 1,2 or 3 colorless (Al/PVC/PVDC) blisters, each of 10 tablets with insert leaflet
Rinosin	Naphazoline Hydrochloride / Chlorpheniramine Maleate	Nasal drops	50 mg/ 50 mg / 100 ml	As in insert leaflet in adults and children aged 12 years and over	Carton box containing plastic (low density polyethylene) dropper of 10 ml and an inner leaflet
Rinosin	Chlorpheniramine Maleate / Naphazoline Hydrochloride	Nasal gel	0.5 gm / 0.125 gm / 100 ml	As in insert leaflet in adults and children aged 12 years and over	Carton box containing printed aluminum tube and aluminum nozzle not sealed containing 5 gm gel and white HDPE cap with insert leaflet
Normifrin	Oxymetazoline	Nasal Spray	0.5 mg/ml	As in insert leaflet in adults and children over 12 years of age	Carton box contains white (HDPE) plastic bottle (it's capacity 40 ml) with spraying (LDPE) plastic nozzle and plastic screw cap (composed of 50% LDPE & 50% HDPE) containing 20 ml solution with insert leaflet.
Otrivin 0.1%	Xylometazoline Hydrochloride	Nasal drops	1 mg / 1 ml	For Various types of colds and to facilitate the outflow of secretions associated with inflammation of the sinuses in adults and adolescents aged 12 years or older	Carton box contains white LDPE plastic dropper bottle contains 15 ml solution with white HDPE plastic cap with insert leaflet
Stopadol Cold & Flu	Paracetamol /Guaifenesin /Phenylephrine Hydrochloride	Hard Gelatin Capsules	500 mg / 100 mg /6.1 mg	As in insert leaflet in adults and children aged 16 years and over	Carton box contains 1 , 2 or 3 (Al / transparent PVDC) blisters , each containing 10 hard gelatin capsules with insert leaflet
Panadol Cold + Flu Vapour Release + Decongestant	Paracetamol /Phenylephrine Hydrochloride	Powder for Oral Solution	600 mg /10 mg	As in insert leaflet in adults and children aged 16 years and over	Carton box contains 10 (paper ,polyethylene , aluminium foil ,ethylene-methacrylic acid , co polymer (EMAA) laminate sachets with insert leaflet
Panadol Sinus Relief PE	Paracetamol /Phenylephrine Hydrochloride	Tablets	500 mg / 5 mg	As in insert leaflet in adults and children aged 12 years and over	Carton box containing 2 (Al/Transparent colorless PVDC) strips, each of 12 tablets+ an inner leaflet
Flu-C	Chloropheniramine Maleate / Paracetamol	Sachet Powder for oral solution in sachets	4 mg / 500 mg /30 mg/500 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box containing 6 sachets (from outside to inside paper / LDPE/AL/LDPE) each containing 3 gm powder and insert leaflet

Panadol Cold & Flu Day	Paracetamol /Caffeine /Phenylephrine	Film Coated Tablets	500 mg /25 mg/5 mg	As in insert leaflet in adults and children aged 16 years and over	Carton box containing 2 (Al+Child resistant foil /Opaque white PVC) strips , each of 12 film coated tablets and an insert leaflet.
Arkadolow Cold and Flu	Paracetamol/Caffeine /Phenylephrine	Film Coated Tablets	500 mg / 25 mg / 5 mg	As in insert leaflet in adults and children aged 16 years and over	Carton box containing 1,2 or 3 (Alu / white opaque PVDC / PVC) blisters, each of 10 film coated tablets with inner leaflet
Cetal Cold & Flu Day	Paracetamol DC 90 /Caffeine anhydrous	Caplets	500 mg / 25 mg / 5 mg	As in insert leaflet in adults and children aged 16 years and over	Carton box containing 1 or 2 (Al/white opaque PVC) strips, each of 10 caplets + inner leaflet
Utopiacold	Paracetamol /Diphenhydramine Hydrochloride	Sachet Powder for oral solution in sachets	650 mg / 25 mg / 10 mg	As in insert leaflet in adults and children 12 years of age and over	Carton box containing 6 or 12 sachets (from outside to inside (Paper / PA/AL/LDPE) ,each of 6 g oral powder with insert leaflet
Pentamolfin	Paracetamol/Diphenhydramine Hydrochloride	Film coated tablet	325 mg / 12.5 mg/5 mg	As in insert leaflet in adults and children 12 years of age and over	Carton box contains 1,2 or 3 colorless transparent (PVC/PVDC/AL) blisters each of 10 film coated tablets and an inner leaflet
Guamusin	Paracetamol Micronized/Guaifenesin/ Phenylephrine Hydrochloride	Powder for Oral solution	1000 mg /200 mg /12.2 mg	As in insert leaflet in adults and children 12 years of age and over	Carton box containing 10 sachets each of LDPE (product contact layer)/aluminum foil /LDPE/paper (outer layer), each sachet containing 5 gm powder with insert leaflet
G.C.Mol	Guaifenesin /Ascorbic Acid (Vitamin C)	Sachet ,Effervescent Granules	0.1 gm/ 0.25 gm/0.325 gm	As in insert leaflet in adults and children 6 years of age and over	Carton box containing 6 or 10 aluminum laminated foil sachets ,each consists of 4 layers from outside to inside LDPE, AL ,LDPE ,paper each sachet consists of 5.5 gm effervescent granules with insert leaflet
Ascozental	Paracetamol /Ascorbic Acid (Vitamin C)	Granules for Oral Suspension	500 mg /300 mg	As in insert leaflet in adults and Children from 12 years of age and weighing 40 Kg and over.	Carton box contains 6 ,10,20 or 50 (LDPE /Al/LDPE/Paper) from inside to outside sachets and each sachet contains 5000 mg granules+ an insert leaflet.
Sine-Up	Chlorpheniramine Maleate / Phenylephrine	Syrup	2.5 mg/ 5 mg / 5 ml	As in insert leaflet in adults and children aged 6 years of age and over	Carton box containing plastic bottle of 120 ml and an inner leaflet
Flurest-N	Paracetamol /Phenylephrine Hydrochloride	Tablets	500 mg/5 mg/2 mg	As in insert leaflet in adults and children aged 12 years and older	Carton box contains 2 Child Resistant Transparent [PVC / Al (AL/PET "external layer adhesive laminated to Aluminum Foil ")] strips, each of 10 tablets and an inner leaflet. * The inner layers (direct contact with the product) are : PVC & AL.
Bradozen	Domiphen Bromide	Lozenges	0.5 mg	Prevention of sore throat in adults and adolescents ≥ 12 years of age	Carton box containing 2 (Al/transparent PVC) strips, each of 10 lozenges and an inner leaflet.
Notussil	Cloperastine Fendizoate	Oral suspension	35.4 mg equivalent to Cloperastine HCl 20 mg /5 ml	Cough Suppressant in adults and children ≥ 2 years of age	Carton box containing polyethylene terephthalate amber glass (Type III) bottle (its capacity 79.7 ± 2 ml) containing 60 ml and pamphlet . Carton box containing polyethylene terephthalate amber glass (Type III) bottle (its capacity 140 ml ± 2.8 ml) containing 120 ml and pamphlet
Sedatuss	Cloperastine Fendizoate	Oral suspension	35.4 mg equivalent to Cloperastine HCl 20 mg /5 ml	Cough sedative in adults and children ≥ 2 years of age	Carton box containing amber (type III) glass bottle (its capacity 115 ml) containing 100 ml suspension capped with plastic polypropylene cap with low density expanded polyethylene (LDEPE) liner with insert leaflet
Rastiglo	Cloperastine fendizoate	Oral suspension	(Particle size : 50% < 20 Micron, 90% < 75 Micron) 3.54 equivalent to Cloperastine HCl 2 mg / 1 ml	As in insert leaflet in in adults and children ≥ 2 years of age.	Carton box containing (Type III) amber glass bottle of 125 ml volume containing 100 ml suspension overed with white polypropylene plastic cap (with low density polyethylene inner lining foam) + measuring cup with insert leaflet

Tussigreen	Diphenhydramine Hydrochloride / Syrup		14 mg / 135 mg / 5 ml	As in insert leaflet in adults and children ≥ 12 years of age	Carton box containing amber brown (Type III) glass bottle containing 100 ml syrup ,with high density polyethylene cap and(LDPE) plastic foam liner and insert leaflet
Bronchicum	Thyme fluid extract / Primula root	Elixir	0.325 g / 0.162 g / 5 ml	حالات الكحة المصاحبة لتزلات البرد في البالغين و الأطفال من عمر 6 سنوات	Carton box containing amber glass hydrolytic type u bottle containing 100 ml solution with PP plastic cap & PE ring and laminated LDPE from both sides foam liner + inner leaflet
Pentamix	Tilia flowers aqueous extract /Gu	Syrup	0.0625 gm/0.125 gm/0.05 gm/0.025 gm/0.05 gm / 5 ml	As in insert leaflet in adults and children aged 4 years and over	Carton box contains amber glass bottle (type II) with white plastic cap with polyethylene foam and inner leaflet
Guava Trix	Guava leaves aqueous extract /Til	Syrup	0.458 gm/0.115 gm/0.015 gm /5ml	Treatment of cough (Mucolytic, antitussive, expectorant) in adults and adolescents ≥ 12 years of age	Carton box containing amber glass type III bottle containing 120 ml, 30 ml syrup with polypropylene cap with LDPE foam liner & inner leaflet
Babetone	Thyme all herb Liquid Extract (Thymus vulgaris) 60 mg /Bitter	Syrup	6 mg / 20 mg / 20 mg / 35 mg / 5 ml	Herbal medicine product for the symptomatic treatment in cough associated with cold in adults and children 12 years of age and above	Carton box containing amber (PET) plastic bottle containing 120 ml syrup with white polypropylene plastic cap, containing (LDPE) foam plastic liner + colorless measuring cup plastic + insert leaflet.
Babetone Sugar Free	Thyme all herb Liquid Extract (Thymus vulgaris) 60 mg /Bitter	Syrup	6 mg / 20 mg / 20 mg / 35 mg / 5 ml	Herbal medicine product for the symptomatic treatment in cough associated with cold in adults and children 12 years of age and above	Carton box containing amber (PET) plastic bottle containing 120 ml syrup with white polypropylene plastic cap, containing (LDPE) foam plastic liner + colorless measuring cup plastic + insert leaflet.
Ivyrospan	Dried Ivy leaf extract	Syrup	35 mg / 5 ml	As in insert leaflet in adults and children 2 years of age and over	Carton box containing amber (type III) glass bottle containing 100 ml syrup with white polypropylene cap containing white solid IDPE & Carbon dioxide foam with safety seal and transparent (HDPE) plastic measuring cup & inner leaflet
Helixopan	Ivy leaves Extract Dry powder	Syrup	35 mg / 5 ml	As in insert leaflet in adults and children 2 years of age and older	Carton box printed with product information containing amber glass (type III) bottle contains 200 ml syrup closed with white (HDPE) plastic closure cap and the cap is connected to bottle neck by red coloured (HDPE) seal off and contain foam liner (Poly olefin).
Ivyronc	Ivy leaf extract powder (Hedera he	Syrup	36 mg / 5 ml	As in insert leaflet in adults and children 6 years of age and over	Carton box contains PET plastic bottle contains 100 ml syrup with white (HDPE) pilfer proof plastic cap and inner leaflet
DR OXYGEN Monohexal	Dried Ivy leaf powder extract Hede	Syrup	45 mg / 5 ml	As in insert leaflet in adults and children 2 years of age and over	Carton box containing amber PET bottle of 135 ml capacity filled with 120 ml of product closed with (PP) plastic cap with (LDPE) internal foam liner and red tamper evident (LDPE) ring + 20 ml measuring plastic cup with insert leaflet
Ivypront	Dried Ivy leaves extract powder	Syrup	35 mg/5 ml	As in insert leaflet in adults and children 2 years of age and over	Carton box containing amber (PET) Plastic bottle with (HDPE) plastic cap, contains 100 , 120 ml syrup + inner leaflet
Hedivect	Ivy dry leaves extract (Hedera Helix)	Tablets	25 mg	As in insert leaflet in adults and children 9 years of age and over	Carton box containing white (HDPE) plastic bottle with white (HDPE) cap each contain 30 or 90 tablets and an inner leaflet.
DR OXYGEN Monohexal	Ivy leaf dry extract (Hedra helix L.)	Lozenges	26 mg	As in insert leaflet in adults and children 4 years of age and over	Carton box containing 1 , 2 or 3 (Al/Transparent colorless PVDC / PVC) blisters, each blister contains 10 lozenges with insert leaflet
Premherb	Pelargonium Root Dry Extract	Film Coated Tablets	20 mg	Herbal medicine product for the symptomatic treatment of common cold, such as blocked nose, sore throat and cough in adults and children 6 years of age and older	Carton box containing 1 or 2 (Al/transparent coloreless PVC) strips each contain 10 film coated tablets + inner leaflet.

Premherb	Pelargonium root dry extract	Syrup	12.53 mg / 5 ml	Symptomatic treatment of common cold in adults and children 6 years of age and older	Carton box containing amber glass bottle Type 3 with HDPE white cap, contains 100 ml syrup
Sinupret	Gentian root Gentiana Radix /Prin	Coated Tablets	6 mg/18 mg/18mg/18 mg	Herbal medicine for inflammations of paranasal sinuses Acute and chronic inflammations of the paranasal sinuses	Carton box containing 2 (Al/ Transparent PVC / PVDC) strips ,each of 25 coated tablets + inner leaflet
Sinupret ® forte	Gentian root Gentiana Radix /Prin	Coated Tablets	12 mg/36 mg /36 mg/36 mg	Herbal medicine for inflammations of paranasal sinuses Acute and chronic inflammations of the paranasal sinuses	Carton box contains 50 coated tablets in blisters , the blisters are made of transparent PVC / PVDC and aluminum foil , each blister contains 25 coated tablets with insert leaflet
Alkaline Wash (SAP)	Sodium Chloride/Sodium Bicarbon	Sachet	2 gm/2gm/2 gm / 6 gm	Nose & Throat in adults ≥ 18 years: As nasal wash to dissolve mucous. As mouth wash in inflammation of throat associated with dental problems and aphthous ulcers	Carton box containing 12 sachets , each sachet consists of 4 layers (from outside to inside : paper , extrude LDPE , Aluminum foil then extrude LDPE and copolymer) , each sachet containing 6 gram crystalline powder with insert leaflet
Bromhexine	Bromhexine HCL	Syrup	4 mg / 5 ml	As mucolytic in the management of viscid mucous secretions in adults and children aged 2 years and over	Carton box contains an amber (PET) plastic bottle containing 100 or 120 ml syrup with capacity 154 ml capped with plastic polypropylene cap lined with low density expanded polyethylene and an inner leaflet.
Bromhexine Hydrochloride- Amriya for Pharmaceutical Industries	Bromhexine HCL	Tablets	8 mg	Mucolytic to break down mucus and help clear the chest in conditions accompanied by excessive mucus secretions such as common cold and influenza in adults and children aged 6 years of age and over	Carton box contains 2 (Al/transparent colorless PVC) strips each of 10 tablets and insert leaflet.
Mucofar	Ambroxol HCl	Syrup	15 mg / 5 ml	As in insert leaflet in adults and children aged 2 years and over	Carton box containing one amber brown PET plastic bottle contains 120 ml syrup with HDPE plastic cap with insert leaflet
Muco syrup	Ambroxol HCL	Syrup	15 mg / 5 ml	As in insert leaflet in adults and children aged 2 years and over	A carton box containing glass bottle of 100ml or 120ml and an inner leaflet
Ambropro	Ambroxol HCl	Lozenges	21 mg	Relief from acute sore throat in adults and children 12 years of age and over	Carton box contains 1 , 2 ,3 , 10 , 20 ,30 or 50 (Al/transparent Colorless PVC/PE/PVDC) strips each of 10 lozenges with inner leaflet. The inner layer that are in direct contact with the product are: Al /PVC
Fluimucil	Acetylcysteine	Effervescent tablets	600 mg	As in insert leaflet in adults and adolescents over 12 years of age	Carton box containing 5 [(Al/PE) / (PA/AL/PE)] blisters , each of two tablets and an inner leaflet
Windy 600 mg	Acetylcysteine	Sachet ; Oral Granules	600 mg / 5 gm	As in insert leaflet in adults and adolescents over 12 years of age	Carton box contains 10 aluminum laminated foil sachets each sachet consists of 4 layers from inside to outside (LDPE , Aluminum , LDPE , paper) each sachet contains 5 gm oral granules with insert leaflet
Brufen 200 mg	Ibuprofen	Sugar Coated tablet	200 mg	Analgesic for mild to moderate pain such as dysmenorrhea, dental and post-operative pain and for symptomatic relief of headache including migraine headache for adults and children over 12 years of age for a period that doesn't exceed 4 days and not to exceed a maximum daily dose of 1200 mg /day	Carton box containing 3 (Al/transparent PVCs)strips, each of 10 sugar-coatedtablets and an insert leaflet
Flamotal 400 mg	Ibuprofen	Film Coated Tablets	400 mg	For mild to moderate pain and fever in adults and children over 12 years of age and over 40 Kg	Carton box contains 1 or 3 (Al / transparent PVC) stips each of 10 film coated tablets with an insert leaflet

Olfen	Diclofenac sodium	Topical gel	10 mg / 1 gm		Carton box containing one Aluminium tube of 15 gm or 50 gm and an inner leaflet
Dolphin	Diclofenac Sodium	Topical gel	3 gm / 100 gm	As in insert leaflet in adults	Carton box containing one printed colored Al tube contains 30 gm ; 60 gm or 100 gm gel closed with white plastic " HDPE " cap with insert leaflet
Libradiclan	Diclofenac Sodium	Medicated Plaster	140 mg	As in insert leaflet in adults and adolescents from 16 years of age.	Carton box containing 1,2,3,4,5,6,7,8,9 or 10 aluminum pouches, each containing one medicated plaster with insert leaflet.
Flector EP	Diclofenac Epolamine	Topical gel	12.92 (as Sodium 10 mg)	As in insert leaflet in adults and adolescents from 12 years	Carton box contains AL tube containing 25 gm or 50 gm gel closed with AL layer & white HDPE screw cap + inner leaflet.
Diclopro	Diclofenac Epolamine	Topical gel	1.292 gm equivalent to 1 gm Diclofenac Sodium / 100 mg	As in insert leaflet in adults and children aged 14 years of age and over	Carton box containing collapsible aluminum tube containing 50 gm gel with (HDPE) plastic cap with an inner leaflet
Declophen	Diclofenac Diethylamine	Topical gel	11.6 mg equivalent to Diclofenac sodium 10 mg / 1 g	As in insert leaflet in adults and adolescents aged 14 years and over.	Printed carton box inside it one printed aluminum tube containing 20 gm ; 30 gm or 50 gm topical gel with a white HDPE plastic cap + insert leaflet
Voltaren	Diclofenac Diethylamine 1.16 gm e	Topical Emulgel	1 gm / 100 gm	For the external treatment of pain, inflammation and swelling in: -Injuries of the tendons, ligaments, muscles and joints e.g. sprains, bruises, strains, back pain and sport or accidents in adults and children from 12 years of age	Carton box containing a hard sealed aluminum tube containing 15,25,50,100 g gel fitted with a white HDPE cap with insert leaflet
Bristaflam	Aceclofenac	Topical Cream	Micronized 1.5% / 1 gm	As in insert leaflet in adults	Carton box contains collapsible aluminum tube contains 30 gm cream with white conical (HDPE) plastic cap with piercer and inner leaflet

Indomethacin-AIT	Indomethacin	Topical Aerosol Solution	10 mg / 1 gm solution	As in insert leaflet in adults and children ≥ 14 years of age.	Carton box contains 120 ml aluminum can that contains 50 gm solution with continuous valve , stem stainless steel spring and polypropylene plastic actuator with insert leaflet
Radian Massage cream	Camphor 1.410% W/W + Camphor	Topical Cream	1.41 % W/W / 0.32% W/W / 0.005% W/W / 2.54 % W/W /0.42% W/W	As in drug insert leaflet	Carton box containing lacquered aluminum tube with aluminum seal of 40gm or 100gm cream with (HDPE) screw cap inner leaflet
Algason Massage	Diethylamine Salicylate / Camphor	Cream	0.1 gm/0.014 gm/0.025 gm	As in insert leaflet in adults and children over 6 years	Carton box inside it printed aluminum tube of 40 g cream with Al seal and white (HDPE) cap with insert leaflet
Moov massage	Oleoresin capsicum /Camphor / Menth	Topical cream	35% 0.42mg / 12 mg / 12.1 mg / 4.8 mg / 1.8 mg / 1 gm	As in insert leaflet	Carton box containing AL laminated tube of 40gm or 100gm cream with (HDPE) screw cap and inner leaflet
Balmentol	Menthol oil /Methyl Salicylate /Camphor	Topical spray	4 gm / 1.6 gm / 1.6 gm / 80 ml	As in insert leaflet in adults and children over 6 years of age	Carton box contains an aluminum can of 120 ml containing 40 ml colorless clear solution with continuous valve , steam , stainless steel spring and polypropylene plastic actuator and notch cut HDPE dip tube and an insert leaflet
Menthor	Menthol /Camphor	Topical gel	3.5 gm/0.2 gm /100 gm	As in insert leaflet in adults and children 12 years of age and over.	Carton box contains aluminum tube of 30 gm gel closed with HDPE plastic cap with insert leaflet.
Rheumatizen	Camphor /Menthol /Methyl Salicylate	Topical Cream	40 mg / 100 mg/300 mg	As in insert leaflet in adults and children 12 years of age and older	Carton box containing plastic polypropylene tube with HDPE plastic closure containing 30 gm or 60 gm topical cream with insert leaflet
Algesal Suractive	Diethylamine Salicylate / Myrtecal	Topical cream	10 g / 1 g / 100 g	As in insert leaflet in adults and children over 7 years of age	Carton box contains collapsible AL tube internally coated with epoxy and melamine film varnished the mastic layer on the bottom twice varnish with araldite lithographic pattern cylindrical part containing 40 g homogenous cream closed with “HDPE” screw cap + insert leaflet
Rheumagel	Etofenamate	Topical gel	50 mg / 1 gm	As in insert leaflet in adults and children over 12 years of age	Carton box contains aluminum tube containing 25 gm gel with HDPE cap with insert leaflet
Ultracaine	Lidocaine	Topical gel	0.05 gm / 1 gm	As in drug insert leaflet	Carton box contains aluminum metallic tube of 20 gm or 30 gm gel with opaque (HDPE) plastic screw cap with aluminum membrane with insert leaflet
Manovipercaïne	Lidocaine	Topical Spray	1.5 gm / 15 ml	مخدر موضعي للألم في حالات علاج الأسنان	Carton box containing amber glass bottle (type III) bottle of 15 ml screwed to a spray meterd pump to deliver in one actuation and an inner leaflet
Lido	Lidocaine HCL	Topical spray	40 mg / ml	As in insert leaflet in adults and children aged 2 years and older.	Carton box containing an amber glass bottle (type III) of 10 ml solution capped with white polypropylene sprayer with low density polyethylene dip tube capped with transparent polypropylene cap & inox Pump with insert leaflet
Farcocaine	Lidocaine	Topical Spray	10 gm / 100 gm solution	Prevention of pain, abrasions of skin, surface anaesthesia in local minor burns in adults	Carton box contains amber (type III) glass bottle of 50 gm solution fitted with opaque white polypropylene spray head with transparent (HDPE) dip tube and transparent polystyrene cap with insert leaflet
Pridocaine	Lidocaine /Prilocaine	Topical Cream	0.025 gm / 0.025 gm / 1 g	As in insert leaflet	Carton box containing aluminum tube with AL membrane of 15 gm cream with HDPE cap with insert leaflet

Anaseziago	Lidocaine /Prilocaine	Topical Cream	25 mg/25 mg / 1 gm	As in insert leaflet	Carton box containing one AL tube of 30 gm and an inner leaflet.
Emla	Lidocaine /Prilocaine	Topical Cream	25 mg /25 mg / 1gm	As in insert leaflet .	Carton box containing 5 tubes ,each of 5 gm cream ,each tube is a collapsible aluminum tube closed with membrane ,internally coated with epoxy resine protective lacquer ,with polypropylene cap with spike for perforation of the membrane .With insert leaflet
Oracure	Lidocaine Hydrochloride /Cetyl Pyr	Oral Gel	20 mg / 1mg / 1 gm	For the rapid relief of pain caused by minor recurrent aphthous mouth ulcers in adults ≥ 18 years of age	A Carton Box Containing aluminum collapsible tube with (HDPE) Plastic cap of 15 or 30 gm gel with inner leaflet
B.B.C.®	Benzocaine/ Benzydamine Hydrocl	Spray Solution	15 mg /1.5 mg/0.413 mg / ml	Indicated in adults ≥ 18 years of age for the following: Symptomatic relief of sore throat pain. Locally acting analgesic and anti-inflammatory treatment for the throat and mouth.It is used to treat various oropharyngeal conditions such as mouth ulcers , sore throat, or gums ,dental pain.	Carton box contains printed aluminum container containing 25 ml solution capped with (LDPE) suction tube pumping atomizer and (HDPE) plastic nozzle for deep application to throat and inner leaflet. Carton box contains printed aluminum container 25 ml capacity solution
Solofresh	Sodium Hyaluronate	Sterile Ophthalmic Solution	2 mg/ml		
Hyfresh	Sodium Hyaluronate	Sterile ophthalmic solution	2 mg /ml	As in insert leaflet in adults	Carton box contains 10 ml ophthalmic solution in opaque white LDPE bottle with LDPE nozzle and HDPE cap with insert leaflet
Pharma tears	Carboxymethylcellulose Sodium	Ophthalmic Solution	5 mg/ml	As in insert leaflet	Carton box containing transparent (LDPE) plastic bottle filled with 15 ml solution closed with sterile opaque white (HDPE) plastic screw covered with transparent LDPE nozzle and an inner leaflet
Sodium Chloride 5% eye drop	Sodium Chloride	Ophthalmic Solution	50 mg/ml		Carton Box containing white (LDPE) Plastic bottle containing 15 ml solution with white (HDPE)plastic dropper covered with polypropylene plastic cap with insert leaflet
Brimillergy	Brimonidine Tartrate	Ophthalmic solution	0.25 mg / 1 ml	Relieve redness of the eyes due to minor irritations such as environmental allergies, dryness and fatigue for adults ≥ 18 years	Carton box contains 10 ml white plastic (LDPE) bottle contains 7.5 ml solution, with (LDPE) dropper and white (PP) plastic cover with insert leaflet.
Trillerge	Antazoline Hydrochloride /Tetryzo	Ophthalmic solution	0.5 mg / 0.4 mg / 1 ml	As in insert leaflet	Cartoon box contains white low density polyethylene plastic bottle with LDPE plastic dropper containing 10 ml solution covered with white plastic (PP) cap with insert leaflet
Privacond	Tetrahydrozoline Hydrochloride /T	Ophthalmic Solution	0.5 mg /5 mg/6 mg / 1 ml	As in insert leaflet	Carton box containing 15 ml ophthalmic solution in white opaque LDPE plastic dropper bottle with white opaque LDPE dropper tip and HDPE screw cap and an inner leaflet
Melacryst 1.5 mg	Melatonin 1.5 mg	Oro-dispersible film	1.5 mg	Short term treatment of jet – lag (not more than 5 days) in adults ≥ 18 years	Carton box containing 10,20,30 Oro-dispersible films ,each one film packed in a four layer pouch form outside to inside (paper ,LDPE , Aluminium ,LDPE) with insert leaflet
Melacryst 3 mg	Melatonin 3 mg	Oro-dispersible Film	3 mg	Short term treatment of jet – lag (not more than 5 days) in adults ≥ 18 years	Carton box contains 10 ,20 or 30 Oro-dispersible films ,each is packed in a four-layer pouch (from outside to inside : paper , LDPE , aluminum , LDPE) and insert leaflet.

Nercafix	Caffeine anhydrous	Oro-dispersible Film	40 mg	As in insert leaflet in adults (Not for under 16 years of age)	Carton box contains 10 or 20 or 30 oral dispersible films , each film packed in four layer pouch , from outside to inside (Paper , LDPE ,Aluminum & LDPE) with insert leaflet
Hemoclar	Pentosan sulphuric polyester	Topical cream	5 mg/ 1 g	As in insert leaflet	Carton box containing printed sealed collapsible aluminium tube of 40 gm cream closed with HDPE cap with insert leaflet
Nizapex	Ketoconazole	Topical Shampoo	20 mg / 1 gm	Treatment and prophylaxis of dandruff in adults and adolescents (12 years of age and over	Carton box containing a plastic (shoulder material : HDPE & sleeve material : LDPE) tube of 80 ml shampoo & closed with polypropylene cap with insert leaflet
Kenzo	Ketoconazole	Shampoo	2 gm /100 gm	Prevention and treatment of dandruff in adults and adolescents aged over 12 years.	Carton box containing a plastic (shoulder material : HDPE & sleeve material : LDPE tube (Its capacity 80 gm) containing 60 ml shampoo & closed with polypropylene cap with insert leaflet
Butaximark 1%	Butenafine HCl	Topical Cream	10 mg /1 gm	As in Insert Leaflet in adults and Children $\geq$ 12 years of age	Carton box containing Al tube containing 15 gm topical cream with white HDPE plastic screw cap with insert leaflet
Terbafenol	Terbinafine HCl	Topical Spray Solution	1 gm / 100 ml	As in insert leaflet in adults and children $\geq$ 16 years of age.	Carton box contains labeled white (HDPE) plastic bottle containing 30 ml liquid with white (HDPE) plastic atomizer , white (HDPE) straight stem , transparent colorless (LDPE) dip tube and colorless (HDPE) plastic cover with insert leaflet.
Terbin	Terbinafine Hydrochloride	Topical Cream	10 mg equivalent to Terbinafine 8.888 mg / 1 gm	As in insert leaflet	Carton box containing aluminum tube containing 15 g cream with HDPE plastic cap with inner leaflet
Terbin	Terbinafine Hydrochloride	Topical Solution	1 g (equivalent to Terbinafine base 0.888 gm)/ 100 g	As in insert leaflet in adults $\geq$ 18 years of age	Carton box containing amber glass bottle of 15 ml solution with plastic dropper and plastic cap and an inner leaflet
Terbin 1%	Terbinafine Hydrochloride	Topical Spray , Solution	1 gm equivalent to Terbinafine 0.888 gm / 100 g	As in insert leaflet in adults $\geq$ 18 years of age	Carton box containing amber glass (type III) bottle of 30 ml solution and atomizer consists of LDPE dib tube , (PP) housing ,glass ball and (PP) closure with (PP) overcap and an insert leaflet
Micoban	Miconazole Nitrate	Topical Cream	20 mg / gm	As in insert leaflet	Carton box containing aluminum tube containing 20 gm topical cream with white HPPE plastic cap with insert leaflet
Gynozol	Miconazole Nitrate	Vaginal Cream	20 mg / 1 gm	As in insert leaflet in adults $\geq$ 18 years of age	Carton box containing printed aluminum tube containing 40 gm vaginal cream with white (HDPE) plastic cap with (HDPE) plastic applicator with insert leaflet
Buccazole	Miconazole micronized	Oral gel	0.02 g / 1 gm	As in insert leaflet	Carton box contains printed aluminum tube containing 20 g gel with white (HDPE) cap + Poly propylene transparent 5 ml spoon with insert leaflet
Closol	Clotrimazole	Topical solution	0.01 gm / 1 ml	As in insert leaflet	Carton box contains amber glass bottle (type III) contain 40 ml or 50 ml solution capped with white polypropylene sprayer with LDPE plastic dip tube capped with transparent polypropylene cap and inner leaflet
Dermatin	Clotrimazole	Topical Cream	1 gm / 100 gm	As in insert leaflet	Carton box containing aluminum tube of 12 gm or 14 gm with plastic cap and an inner leaflet

Dermatin	Clotrimazole	Topical Solution	1 gm / 100 ml	As in insert leaflet only in topical skin application.	Carton box containing plastic (LDPE) bottle with dropper of 20 ml solution and an inner leaflet
Texacort 0.1%	Hydrocortisone 17 – Butyrate (mic	Topical Lipocream	1 mg / gm	وذلك في الحكة الناجمة عن التعرض للضوء والتهاب الجلد الناجم عن مهيجات الجلد والحساسية وذلك في البالغين	Carton box containing Aluminum tube containing 20 gm cream with aluminum membrane seal & HDPE plastic cap with insert leaflet
Hairgain Scalp	Minoxidil	Lotion	0.25 gm / 5 ml	For the treatment of alopecia androgenetica in men aged 18 – 65 years of age.	Carton box contains an amber glass (Type III) bottle contains 50 ml or 100 ml solution with sprayer of polystyrene cap ,polypropylene actuator ,polypropylene screw ring , inbox pump , low density polyethylene dip tube with insert leaflet
Regaine 2%	Minoxidil	Topical Solution	20 mg / 1 ml		Treatment of common hereditary hair loss in men and women aged 18 – 65 years.
Regaine for men extra streng	Minoxidil	Cutaneous Foam	50 mg / 1 gm		Treatment of common hereditary hair loss in men aged 18 – 49 years
Hairgain	Minoxidil	Topical Spray	20 mg / 1 ml		Treatment of alopecia androgenetica in men and women aged between 18 and 65 years of age
BOLD STOP	Minoxidil	Topical Solution	5 gm /100 ml	Treatment of alopecia androgenetica in men aged 18 – 65 years	Carton box contains one high density polyethylene (HDPE) bottle (maximum capacity 135 ml) containing 100 ml liquid, closed with polypropylene(PP) closure containing (LDPE) foam, and polypropylene (PP) atomizer with (LDPE) tube covered by polypropylene (PP) clear cover with insert leaflet
Dexpanthenol	Dexapantenol	Topical cream	50 mg / 1 gm		Treatment of dry, rough or scaly skin Promoting the healing of minor wounds (burns and mild skin abrasions) , irritated skin (e.g. after radiotherapy ,phototherapy or exposure to ultraviolet light),erythema in infants due to diapers. During breastfeeding, treatment of breast and nipple fissures.
Contractubex	Allantoin /Heparin Sodium/Cepae	Topical Gel	1 gm /5000 I.U /10 gm	As in insert leaflet in adults and children over1 year or older.	Carton box contains Al tube contains 20 , 30 , 50 gm & 100 gm gel with aluminum membrane and white screw HDPE plastic cap with insert leaflet
	Beta-Sitosterol	Topical ointment	0.25g/100g	Burns : First degree ; sore nipples;	
Burnasores	Radix Scutellariae powder /Cortex	Topical Ointment	1.5 gm/1.5 gm/1 gm /80 gm/9 gm /100 gm	Treatment of the following in adults ≥ 18 years of age: First degree burns. Where the pain relief and the fast healing are remarkable e.g. Sun burn. Cracked heels and cracked nipples	Carton box contains aluminum tube containing 15 gm,30 gm topical ointment internally lacquered with epoxy resins sealed with an aluminum membrane &fitted with white high density poly ethylene plastic screw cap+ insert leaflet
Marpalene 0.1%	Adapalene	Topical cream	1mg in each 1gm	As in insert leaflet in patients ≥ 12 years of age	Carton box containing collapsible Aluminum tube of 30gm cream with white HDPE plastic cap and insert leaflet
Adanoid 0.1%	Adapalene ; micronized	Topical gel	0.1 gm / 100 g	As in insert leaflet in patients ≥ 12 years of age	Carton box containing inner laminated low density polyethylene / high density polyethylene tube containing 30 gm topical gel with polypropylene cap + inner leaflet

Adapalene	Adapalene	Topical gel	1 mg / 1 gm	As in insert leaflet in patients ≥ 12 years of age	Carton box contains an aluminum tube containing 30 g topical gel of golden epoxyphenolic internal coat with orifice closed with aluminum seal with (HDPE) plastic screw cap with pin for seal piercing with insert
Ezacad 75 mg	Acetylsalicylic Acid	Enteric Coated tablets	75 mg		
Contraplan II	Levonorgestrel	Tablets	0.75 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box containing 1 , 2 or 3 (Al / Transparent PVC) blisters , each of 2 tablets with insert leaflet
Nogestrel 0.75 mg	Levonorgestre	(Micronized) Tablets	0.75 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box contains one (Al / transparent colorless PVC) strip of 2 tablets with insert leaflet
Nogestrel 1.5 mg	Levonorgestrel (D90≤ 10µm)	Tablets	1.5 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box contains one (Al / colorless transparent PVC) strip of 1 tablet with insert leaflet
Gestrolette	Levonorgestrel (D90≤ 10µm)	Tablets	1.5 mg	As in insert leaflet in adults ≥ 18 years of age.	Carton box contains 1 , 2 or 3 (AL / transparent PVC / PVDC) blisters each containing one tablet with insert leaflet.
Amdoxynol	Nonoxynol – 9	Vaginal suppositories	100 mg / 2 gm	As in insert leaflet in adult females only	Carton box containing 1 , 2 or 3 opaque white PVC strips each of 6 vaginal suppositories with insert leaflet
Fawar C	Ascorbic acid	Sachet/ Effervescent granules	1 gm/sachet	As in insert leaflet in adults and adolescents over 12 years of age.	Carton box containing 6 or 12 aluminum laminated foil sachets ,each sachet consists of 4 layers ,from inside to outside : LDPE ,aluminum ,LDPE,paper,each sachet contains 5 gm effervescent granules with insert leaflet.
C-Retard 500 mg	Ascorbic Acid	Hard Gelatin Capsules	Pellets 600 mg containing Ascorbic Acid 500 mg	Supplemental administration in the following circumstances: Bleeding gums in case of vitamin C deficiency. Wound healing. Colds. Smoke. In adults and adolescents from 12 years of age	Carton box contains (Al/PVC) strip of 10 capsules and inner leaflet.
Folicap 0.5 mg	Folic acid	Soft gelatin capsule	0.5 mg	As in insert leaflet in adults and adolescents over 12 years of age	Carton box containing 6 or 12 aluminum laminated foil sachets ,each sachet consists of 4 layers ,from inside to outside : LDPE ,aluminum ,LDPE,paper,each sachet contains 5 gm effervescent granules with insert leaflet
Elbavit Pineapple	Multivitamins and Minerals	Syrup	Syrup	Multivitamin Preparation for prevention of combined vitamin deficiencies	Carton box containing a glass bottle of 60 ml syrup and an inner leaflet
Vitamyami	Multivitamins and Minerals	Tablets	Tablets	Therapeutic Adjunct where the intake of vitamins and minerals is suboptimal	Carton box conatins 1,2 or 3 (Al/opaque white PVC) strips each of 10 film coated tablets with insert leaflet
Marvit	Multivitamins	Oral Syrup	Oral Syrup	As nutritional adjunct where the intake of vitamins and minerals is suboptimal in ages ≥ 6 months	Carton box containing amber glass (type III) bottle of 100 ml syrup with white polypropylene closure cap containing white solid PE foam (LDPE and carbon dioxide) inside and transparent polypropylene measuring cup with insert leaflet
Marvit	Multivitamins	Soft Gelatin capsules	Soft Gelatin capsules	As nutritional adjunct where the intake of vitamins and minerals is suboptimal in adults	Carton box contains 1 or 2 (Al / PVC) strips , each of 7 soft gelatin capsules with insert leaflet

Theragran Haematenic	Multivitamins	Film Coated Tablet	Film Coated Tablet	In individuals following a restrictive diet which may be deficient in certain vitamins and minerals in adults	Carton box containing 2 Child Resistant Transparent colorless (PVC /PVDC)-Al / PET (external layer adhesive laminated to the aluminum foil) strips , each of 15 film coated tablets and an inner leaflet
Vitamax Plus	Herbal medicine containing multiv	Soft Gelatin Capsules	Soft Gelatin Capsules	As in insert leaflet in adults $\geq$ 18 years of age	Carton box containing 1 , 2 or 3 (Al/PVC) strips ,each of 10 soft gelatin capsules and an inner leaflet
Neurimax	Thiamine HCl (B1) / Riboflavin Ph	Soft gelatin capsules	250 mg/15 mg/100 mg/250 mg /5000 I.U /100 mg / 30 mg /10 mg / 25 mcg/250 mcg	In adults and children over 12 years of age as a therapeutic nutritional adjunct where the intake of vitamins and minerals is suboptimal	Carton box containing 1, 2 or 3 Al/ Colorless transparent PVC strips, each containing 10 soft gelatin capsules, and an inner leaflet
Milga	Benfotiamine /Pyridoxine /Cyanoc	Film Coated Tablets	40 mg /60 mg / 0.25 mg	As in insert leaflet	Carton box containing 1 , 2 , 3 , 8 , 50 , 100 (AL / PVC) strips , each of 10 tablets and an inner leaflet
Milga Advance	Benfotiamine /Cyanocobalamin /P	Film Coated Tablets	300 mg /0.25 mg /100 mg	As in insert leaflet	Carton box contains 1 , 2 or 3 opaque (AL / PVC / PVDC) blisters ; each contains 10 tablets with insert leaflet
Neurorubine-Forte	Vitamin B1 /Vitamin B6 /Vitamin	Lactab	200 mg /50 mg /1000 mcg	As in insert leaflet	Carton box containing 2 (PVDC white opaque / Al foil) strips , each of 10 lactabs and an inner leaflet
Neurovit	Vitamin B1, Thiamine /Vitamin B12	250 mg /250 mcg/100 mg	250 mg /250 mcg/100 mg	For the supportive treatment of neuritis	Carton box contains 2 or 3 (AL / transparent PVC) strips each of 10 sugar coated tablets and an inner leaflet.
Triocobavit	Thiamine Hydrochloride (Vit. B1) /	Hard Gelatin Capsules	50 mg/50 mg/1000 mcg	As in insert leaflet in adult and patients over 14 years of age	Carton box contains 1 , 2 , 3 strips of (Al foil / white opaque triplex (PVC / LDPE / PVDC) contains 10 hard gelatin capsules with insert leaflet
Vixaport	Benfotiamine /Pyridoxin Hydrochl	Film Coated Tablets	300 mg/100 mg/0.25 mg	As in insert leaflet in adults	Carton box containing 1 , 2 or 3 (OPA / Alu / PVC) with aluminum lidding foil strips,(Alu/Alu strips), each of 10 film coated tablets with inner leaflet
Novocobal	Methylcobalamin	Sublingual tablets	1 mg	In case of inadequate nutrition, elderly people & vegetarians	Carton box containing (HDPE) plastic bottle with (LDPE) plastic screw cap and Al induction seal containing 30 or 60 sublingual tablet and desiccant with insert leaflet
Methyltechno	Methylcobalamin	Oral dissolvable film	1000 mcg	In case of inadequate nutrition as in elderly people & vegetarians	A carton box containing 10, 20 & 30 oral dissolvable films (each oral dissolvable film packed in four layer pouch from outside to inside (Paper / Polyethylene LDPE / Aluminum / Polyethylene LDPE) with insert leaflet
Davalindi 1000 I.U.	Vitamin D3 (Cholecalciferol)	Tablets	1000 I.U.	Prevention and treatment of vitamin D deficiency in adults and adolescents. Vitamin D deficiency is defined as serum level of 25-hydroxycholecalciferol (25(OH)D) < 25 mmol / L. Specific osteoporosis treatment for patients who are at risk of vitamin D deficiency, preferably in combination with calcium	Carton box contains (HDPE) plastic bottle with child safe (HDPE) plastic cap lined with carton foam liner and aluminum induction seal containing 100 tablets with an insert leaflet
Vidrop®	Vitamin D3 (Cholecalciferol)	Oral drops	2800 I.U. /1 ml	Prevention and treatment of vitamin D deficiency in adults and children. As an adjuvant to specific therapy for osteoporosis in patients with vitamin D deficiency or at risk of vitamin D deficiency.	Carton box contains amber glass bottle type (III) of 10 ml or 15 ml with plastic dropper have polypropylene plastic cap & rubber pump with transparent polypropylene plastic stem with inner leaflet
Nicorette Invisi 10 mg	Nicotine	Transdermal Patch	15.75 mg Delivered 10 mg Nicotine / 16 hr	As in insert leaflet in adults $\geq$ 18 years of age	Each patch is packed in a heat sealed laminate pouch consisting of paper , PET film , aluminum & cyclo olefin copolymer coextrudate (CoCcoex).

Nicorette Quickmist	Nicotine	Oromucosal Spray	1 mg / Spray	As in insert leaflet in adults ≥ 18 years of age	PET bottle containing 13.2 ml of solution .one bottle contains 150 sprays of 1 mg. The bottle is placed in a dispenser with a mechanical spray pump with an actuator. The dispenser has a child resistant feature with insert leaflet
Nicorette® Fresh mint 2 mg	Nicotine	Chewing Gum	2 mg (as nicotine resinate 10 mg)	As in insert leaflet in adults ≥ 18 years	Carton box containing 2 blisters package of PVC / PVDC film and aluminum foil/ vinyl acrylic enamel , each blister contains 15 chewing gums with insert leaflet
Nicorette® Fresh mint 4 mg	Nicotine	Chewing Gum	4 mg (as nicotine resinate 20 mg)	As in insert leaflet in adults ≥ 18 years	Carton box containing 2 blisters package of PVC / PVDC film and aluminum foil/ vinyl acrylic enamel , each blister contains 15 chewing gums with insert leaflet
Nicorette Invisi 15 mg	Nicotine	Transdermal Patch	23.62 mg Delivered 15 mg nicotine / 16 hr	As in insert leaflet in adults ≥ 18 years of age	Each patch is packed in a heat sealed laminate pouch consisting of paper , PET film , aluminum & cyclo olefin copolymer coextrudate (CoCcoex)
Nicorette Invisi 25 mg	Nicotine	Transdermal Patch	39.37 mg Delivered 25 mg nicotine / 16 hr	As in insert leaflet in adults ≥ 18 years of age	Each patch is packed in a heat sealed laminate pouch consisting of paper , PET film , aluminum & cyclo olefin copolymer coextrudate (CoCcoex)
Ambezim G	Trypsin and Chemotrypsin	Coated Tablets	(Corresponding to the activity of Trypsin 5 mg + Chemotrypsin 5 mg) 200000 P.U. (Proteolytic Units)	Adjunctive Therapy in inflammatory conditions in adults ≥ 18 years of age	Carton box containing 2 (Al/PVC) strips , each of 10 tablets and an inner leaflet
Alphintern	Trypsin / Chymotrypsin Mix	Enteric Coated Tablets	12 mg (as Alphachemotrypsin ; 14.000 u katal ; Trypsin 5.000 u katal)	Adjunctive Therapy in inflammatory conditions in adults ≥ 18 years of age	Carton box contains 1 , 2 or 3 (AL / transparent colorless PVC / PVDC) Strips each of 10 enteric coated tablets with insert leaflet
Megalase	Bacterial Alpha Amylase	Film Coated Tablets	100 mg (as 3000 CEIP unit)	Adjuvant Treatment and prophylaxis of edema in adults ≥ 18 years in otorhinolaryngology situations: Rhinoplasties, tonsillectomies. Several interventions (sinusitis, laryngectomy,polypectomies, resection of the nasal septum.	Carton box containing 2 (AL/Colorless transparent PVC/PVDC) strips each of 10 film coated tablets with insert leaflet
Maxilase	Alpha amylase	Syrup	20000 CEIP unit / 100 ml	Adjuvant Treatment and prophylaxis of edema in adults ≥ 18 years, in the following indications: -Otorhinolaryngology. -Rhinoplasty, tonsillectomy . -Various interventions (Sinusitis, laryngectomy, nasal polypectomia, nasal septum resection) -Tonsillitis, Pharyngitis, sinusitis, laryngitis, Rhinotrachea	Carton box contains brown (Type III) glass bottle (its capacity 125 ml) contains 100 ml with (HDPE) plastic cap and inner leaflet
Canephron Uno	Centaury aerial parts , pulverized	Coated Tablets	36 mg / 36 mg / 36 mg	As in insert leaflet in adults and adolescents from 12 years of age	Carton box containing 2 (PVC / PVDC –AL foil) blisters each of 15 coated tablets
Chitocal	Chitosan Powder /Gymnema Sylve	Hard Gelatin Capsules	500 mg /50 mg/100 mg	As in insert leaflet in adults 18 years of age and older	Carton box containing 2,3,6 or 8 (Al / transparent PVC) strips each of 10 H.G.C and an inner leaflet
Sylvester 1	Native Gymnema Leaves Powder E	Hard Gelatin Capsules	100 mg / 175 mg /150 mcg	As in insert leaflet in adults ≥ 18 years of age	Carton box containing 1 , 2 , 3 or 6 (Al / Transparent PVC) strips , each containing 10 H.G.C and inner leaflet
Top Ging	Green Tea Leaves Powder Extract /Garcinia Cambogia Fruit Powder Extract /Ginger Rhizome Powder Extract /Chromium Picolinate	Hard Gelatin Capsules	200 mg/150 mg/50 mg/80.45mcg	As in insert leaflet in adults ≥ 18 years of age.	Carton box containing 1,2,3,6 or 9 (Al/Colorless Transparent PVC) strips each of 10 hard gelatin capsules +inner leaflet.
Quick – Slim	Orlistat	Hard Gelatin Capsules Containing Pellets	120 mg	As in Insert leaflet in adults	Carton box contains 1 or 3 (Al / transparent colorless PVC) strips of 10 hard gelatin capsules with insert leaflet

Slim Safe	Orlistat	Hard Gelatin Capsules containing pellets	120 mg	As in insert leaflet in adults	Carton box contains 1,2,3 (Al/colorless transparent PVC/PVDC) strips each of 10 hard gelatin capsules containing pellets with insert leaflet
Orly 60 mg	Orlistat	Hard Gelatin capsules containing pellets	60 mg	As in Insert leaflet in adults ≥ 18 years of age	Carton box containing 1 , 2 , 3 , 4 , 5 or 6 (AL / AL) strips ,each of 10 hard gelatin capsules with insert leaflet
Orlistmart	Orlistat	Hard Gelatin Capsules	120 mg	As in Insert leaflet in adults	Carton box contains one or three (Al / Transparent colorless PVC) strip of 10 hard gelatin capsules with insert leaflet.
Agnucaston	Dry Extract from Agnus castus fruit	Film Coated Tablets	20 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box containing 3 or 6 (Al / transparent PVC / PVDC) strips , each of 10 film coated tablets + inner leaflet
Femicure	Vitex Agnus Castus L. dried extract	Hard Gelatin Capsule	20 mg	As in insert leaflet in adults ≥ 18 years of age	Carton box containing 2 or 3 (PVC / PVDC) blisters each of 10 capsules & insert leaflet.
Klimadynon ®	Dry extract of Cimcifuga racemosa	Film Coated Tablets	2.8 mg	Indicated in female adults for the relief of menopausal complaints such as hot flushes and profuse sweating	Carton box containing 1, 2 or 3 (Al / colorless PVC / PVDC) strips ,each of 10 film coated tablets + inner leaflet
Fiminosan	Cimcifuga powder extract	Tablet	20 mg	Herbal medicinal product for the relief of menopausal complaints such as hot flushes and profuse sweating in adult females	Box containing 3 PVC – PVDC blisters each of 10 tablets with insert leaflet
Linorose	Refined evening primrose oil	Soft Gelatin Capsules	1000 mg	As in insert leaflet in adults and children ≥ 12 years of age	Carton box containing 3 (AL /transparent colorless PVC / PVDC) strips each of 10 S.G.C. + inner leaflet
Omegal Rose	Refined evening primrose seeds oil	Soft Gelatin Capsules	400 mg / 250 mg	As in insert leaflet in adults	Carton box contains 1 ,2 or 3 (Al/transparent PVDC) strips each contains 10 soft gelatin capsule with insert leaflet
Strogenzo	Angelica gigas root extract powder	Hard Gelatin Capsules	90 mg / 83.5 mg/83.5 mg	As in insert leaflet	Carton box containing 3 (Al/Transparent PVC / PVDC) strips, each of 10 capsules kept in alum. foil sealed bag + an insert
Ruscap	Ruscus Aculeatus extract / Trimethoprim	Hard gelatin capsule	150 mg/150 mg/100 mg	Treatment of symptoms related to venolymphatic insufficiency (heavy legs, pain, impatience of primodecubitus	Carton box containing 1,2 or 3 (AL/Transparent PVC)strips each of 10 hard gelatin capsule & insert leaflet
Daflon 500 mg	Diosmin 90%	Film Coated Tablets	(450 mg)	Indicated for treatment of Venous circulation disorders (heavy legs, pain, restless legs) and the treatment of functional symptoms related to acute haemorrhoidal attack in adults. Treatment of the symptoms of acute hemorrhoidal disease should be of short duration only (limited to 7 days). If the symptoms persist, a proctological examination should be performed and the treatment should be reviewed	Carton box containing 1 or 2 blisters pf (Transparent PVC / Al) ,each of 15 film coated tablet and inner leaflet
Daflon 1000 mg	Diosmin 90%	Film Coated Tablets	(900 mg)	Indicated for treatment of Venous circulation disorders (heavy legs, pain, restless legs) and the treatment of functional symptoms related to acute haemorrhoidal attack in adults	Carton box contains heat sealed 3 (Al / Transparent PVC) blisters ,each contains 10 film coated tablets with insert leaflet
Tomex	Dried garlic powder, bulbs of Allium sativum	Enteric Coated Tablets	200 mg	Traditional Herbal product used as adjuvant for the prevention of atherosclerosis in adults ≥ 18 years of age	Carton box contains an amber glass bottle type(III) inside it a cylindrical sponge, sealed with adhesive protective polystyrene seal and covered with HDPE white cap containing 80 enteric coated tablets + insert leaflet.

Tomex Plus	Dried garlic powder, bulbs of Allium	Enteric Coated Tablets	300 mg	Traditional Herbal product used as adjuvant for the prevention of atherosclerosis in adults ≥ 18 years of age	Carton box contains an amber type (3) glass bottle inside it a cylindrical sponge contains 50 enteric coated tablets, sealed with adhesive protective polystyrene seal and covered with HDPE white cap + inner leaflet
Tebofortin Intens	Ginko Biloba Leaves Extract	Film coated tablets	120 mg	As in insert leaflet in adults over 18 years of age	Carton box contains 1,2 or 3 (Al/transparent PVC) strips each of 10 film coated tablets + an inner leaflet
